HOW HAS THE DIVINE FEMININE BEEN MOVING THROUGH YOU?

# LAST WEEK WE ANSWERED THESE QUESTIONS...

 1. *What is the one truth my Soul has been waiting for me to speak in my business — and where am I still softening it?* Where are you editing yourself?

Where are you diluting your medicine to be more acceptable?

 2. *What old vow, belief, or identity did I feel dissolving in the fire — and how has it been shaping my pricing, visibility, or leadership?* Was it a poverty code?

A fear of being “too much”? A loyalty to struggle? When did you first learn it?

3. *If I fully trusted the molten-gold voice in my throat, what bold action would I take in the next 30 days? Be specific.* Raise rates? Launch differently? Speak more directly? Stop over-explaining?

What would the Sovereign Version of You do?

 4. *If my ancestors were watching my business right now, what would they want me to remember? What are they urging you to claim? What are they tired of seeing you shrink around?*

Go through your notes and circle the one sentence or phrase that feels like the clearest message from your Soul.

At the top of a new page write...

“The Voice of My Soul in Business Says... then write the phrase.” Then answer these...

1. If I fully trusted this message, what would change in my business right now? Offer? Pricing? Visibility? Boundaries? Other?
2. What are 3 shifts that would naturally flow if I lived this truth?
3. The first Sacred Step I will take in the next 7 days is...
4. State your Soul Message and your Sacred Next Step.

“Alignment creates momentum faster than effort.  
When the soul leads, the path organizes itself.  
When the voice is true, the right people hear it.  
May our work move through us with clarity, courage, and devotion.”
