Light Infusion Therapy... p. 5-6

Light Infusion Therapy offers a way to re-establish a connection and relationship with our TRUE self, **our SOUL**, and then to begin to re-structure our energy field so we can *tap into this unending source of Life Force* and utilize it to reshape our lives and our world. As we “turn on” our own inner light, we also can begin to “digest” the bigger solar and galactic light that is going to be bathing our planet on a regular basis.

Hopefully, by now, you have had a chance to do some Light Infusions for yourself and are beginning to see some real change in your life.

You may be wondering why we need anything else?

The Templates

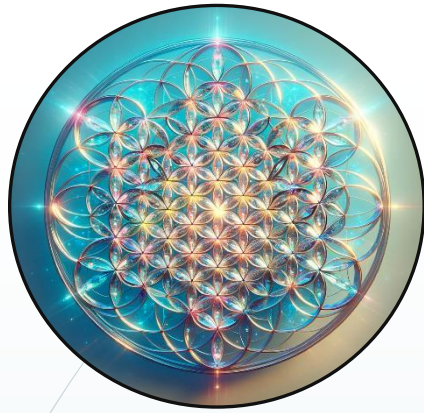

Now that we have the basic map of how to restructure and reshape our physical world by adjusting our frequency and raising our light quotient, we can *begin to really get serious*. We can begin to use Sacred Geometry in a more informed way, and *actually ADD* more of its potency to our Desired Outcomes.

The Basics p. 6

We can think of **Sacred Geometry** as the building blocks and instructions that form and inform that light to create literally everything we see. Remember **SACRED GEOMETRY** is Nature's design language. It programs the energy by making it move in a *particular energy movement pattern*. When we see the finished energy movement pattern, that is what we call today: **SHAPE**. Shape programs energy for all our specific life functions.

We will be utilizing *even more shapes and energies from nature* to hold and contain specific frequencies and desired outcomes for our Light Infusions. We will use the same format that we use for any Light Infusion.

We will just be recording them on what we call a Light Infusion Template, which are beautiful pictures made up of geometric shapes. These will not only *add more Sacred Geometry* to your Desired Outcomes, but they will also *inform the energies and guide them*. They will make your hopes and wishes come alive as the Templates take on a life of their own.

The Templates p. 7

The Light Infusion Soul Templates are Sacred Geometry Shapes infused with Source Light Frequencies address complex situations and conditions involving groups and/or individuals. They sustain consistent high vibrational frequencies.

Some things to remember...

- The activations that we send out before class and the ones we do in class are necessary to fully utilize the Templates to their highest potential.
- Each template contains its own level of potential potency consistent with the shapes embedded within it. The frequency of your Desired Outcomes and any other frequencies you add work with the Template to actualize the outcome.

The Templates cont. p. 7-8

- If you have done the Source Light Protocol in the morning, you do not need to do it again before you do your Template.
- You will find that the more you work with the Templates, the more powerfully they work with you. They literally take on a life of their own and communicate with you.
- Your ability to receive intuitive information, increases as you work with the Templates.
- Templates work well for:
 - Groups, including couples, families, and organizations. (Please note that these must be groups you are a part of. You are not yet ready or qualified to work specifically with or for others. But you can work things out between you and others you are involved with, or any personal issues you are dealing with.)
 - Enhancing any healing issue, creative endeavor or actualizing desired outcome for yourself.
 - Enhancing intuitive guidance around a situation. The Templates can begin to inform us as we work more deeply with them.

The Template Protocol p. 9

1. Use any of the Templates provided for this process.
2. Make sure you have done the Daily Protocol before beginning, and that you are connected to your Soul through your heart space.
3. Write your name, the name of the project, and the date on the Template in the space provided in the upper right corner.
4. Determine your Desired Outcomes and write them using neutral but specific frequency language: Synchronize with welcoming 35 students into my next class, or synchronize with receiving \$5,000 in the month of April, or Synchronize with a healthy body, or a healed ankle, synchronize with a healed relationship with..., etc.
5. **Be sure to include “Receiving Intuitive Guidance,” and “Allow PS DO” (postscript desired outcomes), in your Desired Outcomes.**
6. Draw a small circle with a dot in the middle to indicate Soul Connection. (You can use the oval on the picture provided for this or write it anywhere on the picture.) Drop into your Soul. State, *“I connect to my Source Light Center Point or My Soul.”*
7. Draw another circle next to it and say, *“I activate opportunities for healing, growth, and restoration.”*

The Template Protocol cont. p.9

8. Pull a Source Light Symbol Card and muscle test for how many.
9. Draw a triangle on the template and write the Name & Number of Source Light Symbols beside it saying, *"I anchor in (number, name) Source Light Symbols."*
10. Muscle test to see if you need anymore. If so repeat steps 7-8 but use the same triangle.
11. Pull Source Light Frequency cards and record them on your sheet.
12. Write DO on the Template and state: *"I synchronize with the actuality of: (state Desired Outcomes) with: (state all frequencies)."*
13. Close by drawing a star and stating, *"I infuse and integrate completion."*
- 14, Draw a small heart, and state, *"I close this Infusion with Gratitude, in the Light."*
15. Put Template somewhere you can see it or refer back to it and observe what shifts and changes.
16. When your Desired Outcomes have been met or you feel the Template is complete, you can file it away.

Doing A Basic Template Session for Yourself:
