The background image is a photograph of a garden. In the center, there is a large, green, topiary sculpture of a human head and shoulders. To the left of the sculpture, a small waterfall flows over a stone ledge into a pool. The garden is filled with various plants, including purple and green shrubs. In the background, there are trees and a metal structure, possibly a water tower. The image is framed by colorful, abstract, wavy borders at the top and bottom. The top border transitions from orange to yellow to green. The bottom border features a red shape on the left and a blue shape on the right, both with wavy, flowing edges.

Soul & 3-D

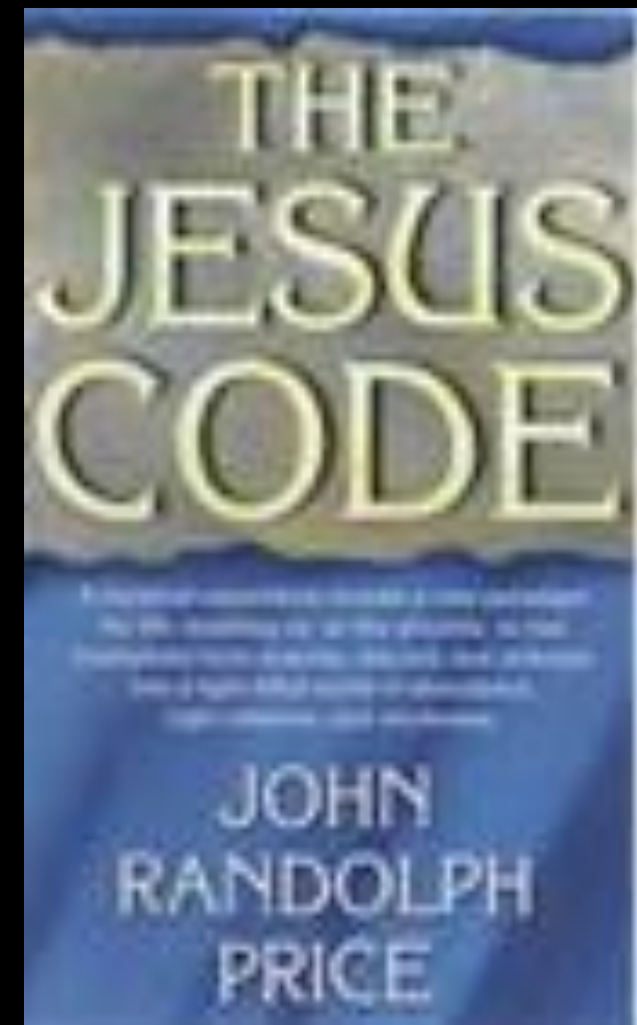

“She woke up one day and decided to set her life on fire, to go up in flames, if necessary, to really live the life she was born to live!”

IT IS TIME TO DEFRAG YOUR INNER HARD DRIVE

- What is the Larger, Bigger, Deeper work that you are here to do?
- What was it about this specific offering that caused your heart to open and say YES?
- Where do you need to focus your attention?
- What do you need to clear?
- What needs to be reprogrammed?
- Where do you need to Shift your assemblage point?

It is not what you do not know that is retarding your progress on the path, but what you think you know. Knowledge of truth filled with strains of error thoughts produces discordance, which is *projected in the external world* as disharmonies of life, yet one cannot be given up without the other. To begin anew, you must empty the vessel of perceptions deemed trustworthy, and carried with them will be the impurities of false beliefs. *Give up the greater to remove the lesser.*

piety

Piety is devotion to God or to religious practices. Nuns who pray all day long are famous for their *piety*. If you have filial *piety* it means you're devoted to your parents.

Piety is sometimes used in a disapproving way to mean that the person is only pretending to be devoted or good. *Piety* was borrowed from French *piété* "piety, pity," from Latin *pietas*, from *pius* "devoted, kind." This Latin adjective is the source of our English adjective *pious*.

pi·e·ty  [pahy-i-tee]  [Show IPA](#)

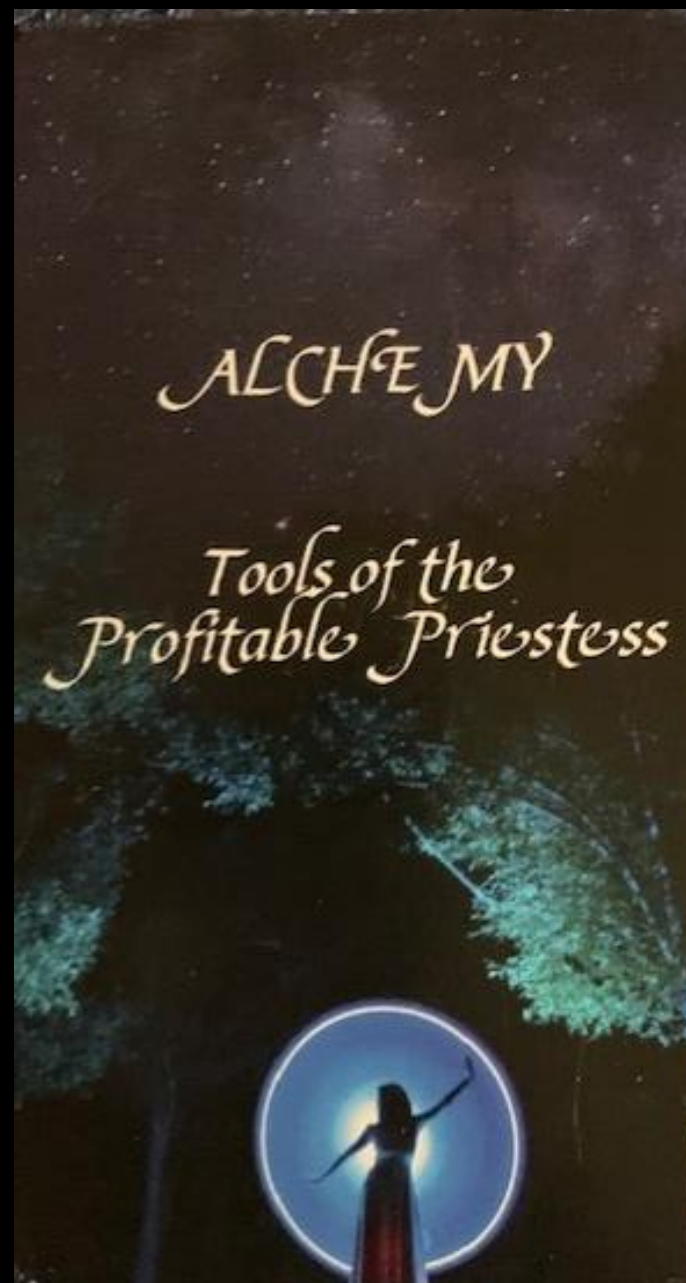

noun, plural pi·e·ties.

1. reverence for God or devout fulfillment of religious obligations: *a prayer full of piety*.
2. the quality or state of being pious: *saintly piety*.
3. dutiful respect or regard for parents, homeland, etc.: *filial piety*.
4. a pious act, remark, belief, or the like: *the pieties and sacrifices of an austere life*.

Origin:

1275–1325; Middle English *piete* < Middle French < Latin *pietās*, equivalent to *pi* (*us*) + *-etās*, variant (after *i*) of *-itās*; see [pious](#), [-ity](#)
