Self~Proclamation

From Nicole: Power cannot be bestowed on an individual by an outside authority. One must wholeheartedly claim it for her/himself and embody it on the basis of Inner Authority. This potency of this proclamation is amplified when joyfully and respectfully witnessed by others.

I am High Priestess, Kathy Red Eagle, Keeper of the Sacred Mysteries, Pistis Sophia, Keeper of the Sacred Portal of Wisdom and Enlightenment, Magna Sophia, She whose Compassion cannot be contained. I hail to the Goddess Mary Magdalene through the lineage of Isis. The gift I bring to the community is Divine Connection to Source through Light.

It has been an honor and a privilege to Walk With You through this Portal.

My Priestess Calling by Crystal Steinberg

The Mountain Whispers and I Listen.

At first, she delivers her light language by birds singing, roosters crowing, and dogs barking.

But as I stay listening, those sounds morph into words at first unknown to me.

Eventually, I understand ancient messages from rocks, minerals, springs, and distant ocean waves calling me closer as leaves whistle in the breeze.

“Finally, you have arrived,” I hear. “I’ve waited for so long.”

“Whose there?” I wonder out loud.

“It’s me . . . you know who.” she says.

It’s the same voice I heard when I first set foot on this property. She mesmerized me with her view, and I could not turn away.

“Yes, I do know,” I say with some sense of confidence. “You waited for me to return? Why?” I ask my voice now sounding a bit shaken.

“It is your purpose to be here, or you could not hear me, she explained patiently. “I’ve been sending you messages.”

“What messages?”

“Well, that tarantula for instance, when you were so frustrated by the delays and renovation work required?”

“You sent him? You know I’m allergic to spiders . . . “

“He didn’t bite you, so regardless . . .

“Yes, he helped me understand the need for patience and to trust that all will be ready when the time comes.”

“And it gave you more time to integrate the physical and the spiritual. You are already creative, can think outside the box, and walk your talk. A visit from spider is about perfect timing.”

“I can see that now,” I said, but it wasn’t so clear then.

“I know that’s why I sent the next messenger indicating positive changes, new beginnings, happiness, adaptability, prosperity and transforma –“

“The golden frog that visited us on the terrace that night, I cried out as I made the connection.”

“Yes,” she giggled at my enthusiasm. “You get it. That’s how I know you are the one.”

“The one for what?”

“The one to share my messages, my Mystic Mountain Oracle”

A Jaguar roar erupted from my throat as my heart burst open with possibilities about serving as a spirit companion who facilitates communication between different worlds.

I fell to my knees with awe and wonder that each one of us is invited to participate, to co-create with Sophia.

Mist began to form and float across the mountain.

It seemed to soften her voice, but I clearly heard her say, “Stand up my daughter, there is much to do, and I am always here with you.

The trees swayed, birds sang, and the wind caressed my face as I stood prepared to serve as the Mystic Mountain Oracle Priestess

Blessings of the Elements

I am Light

Remember, remember. Remember.
Remember.

Wake up, wake up oh sleepers. Wake
up, wake up and see. A new world
created by you and by me.

Imagine a world of peace and harmony,
the divine spark within us for all the
world to see.

Dream this new world, dream with me.
Dream this new world into reality.

Chanting... the earth's song

Arise, arise. Arise, arise. Arise, arise oh
dreamers. Arise, arise and see. This new
world we created for you and for me.

Remember, remember. Remember.
Remember.

SEAL: One Year and One Day

The cellular and energetic integration of the internalized New Earth Priestess is complete in one year and one day after self-proclamation and emergence. Celebratory acknowledgement of this completion is a joy to the Soul of the Awakened Priestess!

A sunset scene over a body of water with mountains in the background. The sun is low on the horizon, casting a golden glow across the sky and water. The sky transitions from a bright yellow near the sun to a deep orange and then a soft pink at the top. The water reflects the colors of the sky. The mountains in the background are silhouetted against the bright sky.
