PROPHECIES, SIGNS, & EVENTS OF **THE END TIMES**

Time and Prophecies

Prophecies exist in Time.

Dire prophecies warn of calamitous events and are successful if they don't come true because the warning was heeded and better choices were made

Wondrous prophecies are successful when they ARE fulfilled because we have focused our thoughts and actions on fulfilling them

We are living in a Time when there are many prophecies telling us of a New Earth, the end of Time as we know it and the birth of a Golden Age is imminent.

From Cayelin Castell

So as we move forward...

It makes sense that we...as **LEADERS**...and Priestesses, do our due diligence to do the things that we can to support ourselves, our nations and our planet going forward.

In our earlier history, no one may have had the foresight or the tools to do that, but we do.

Caldron of Wisdom Light Infusion

-
- Can be used for:
 - Infusing specific desires and outcomes into any offering you are providing.
 - Getting wisdom and guidance on any situation you are in.

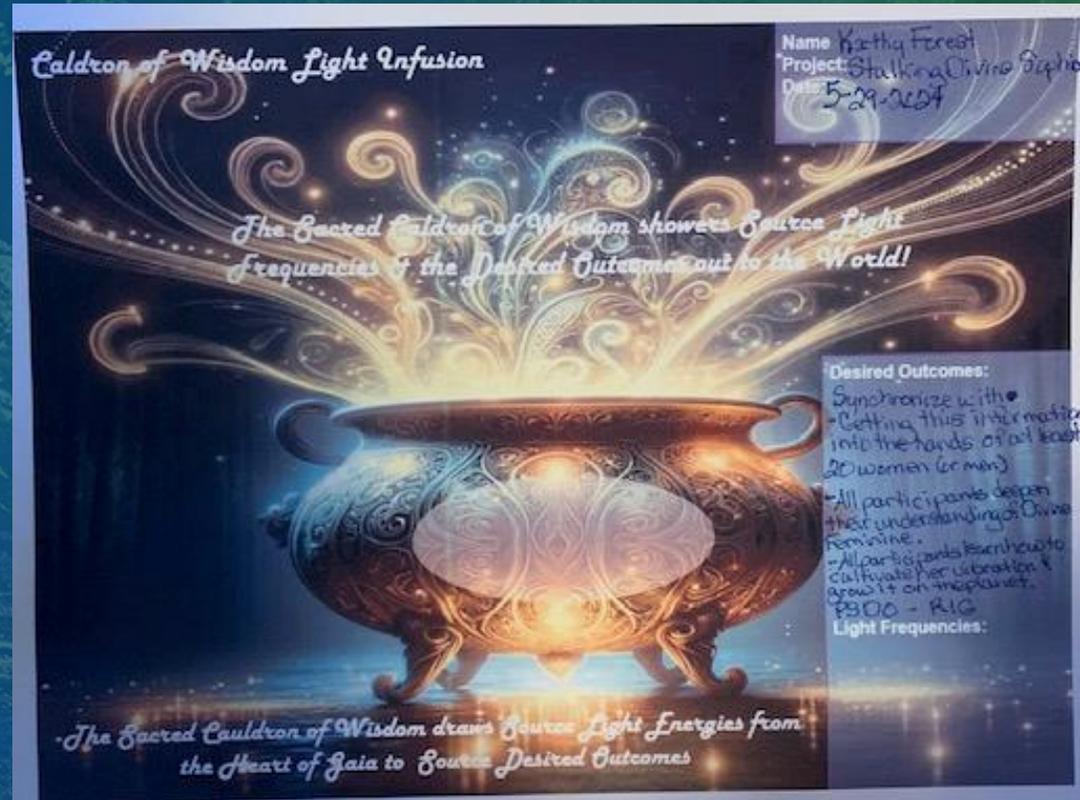

Make sure you have done the Daily Protocol before beginning, and that you are connected to your Soul through your heart space.

Take a moment to deeply connect to your Soul, and what you truly want...What you want to feel. Then, write your name, project (be specific) and the date on the Template in the space provided in the upper right corner.

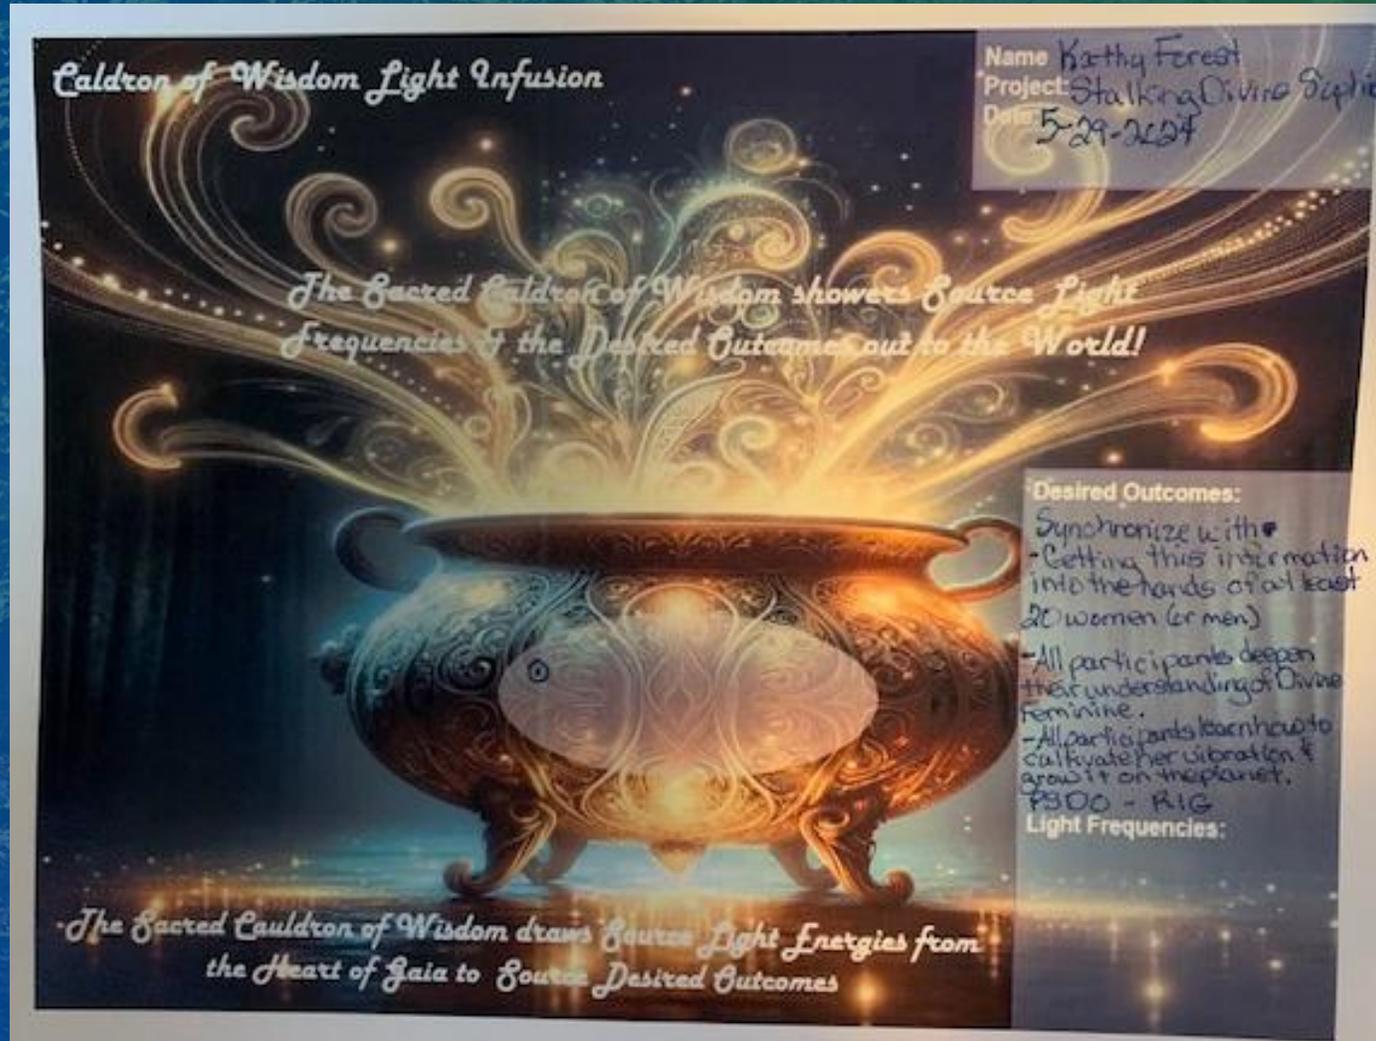

Determine your Desired Outcomes and write them using neutral but specific frequency language: Synchronize with welcoming 35 students into my next class, or synchronize with receiving \$5,000 in the month of April, etc.

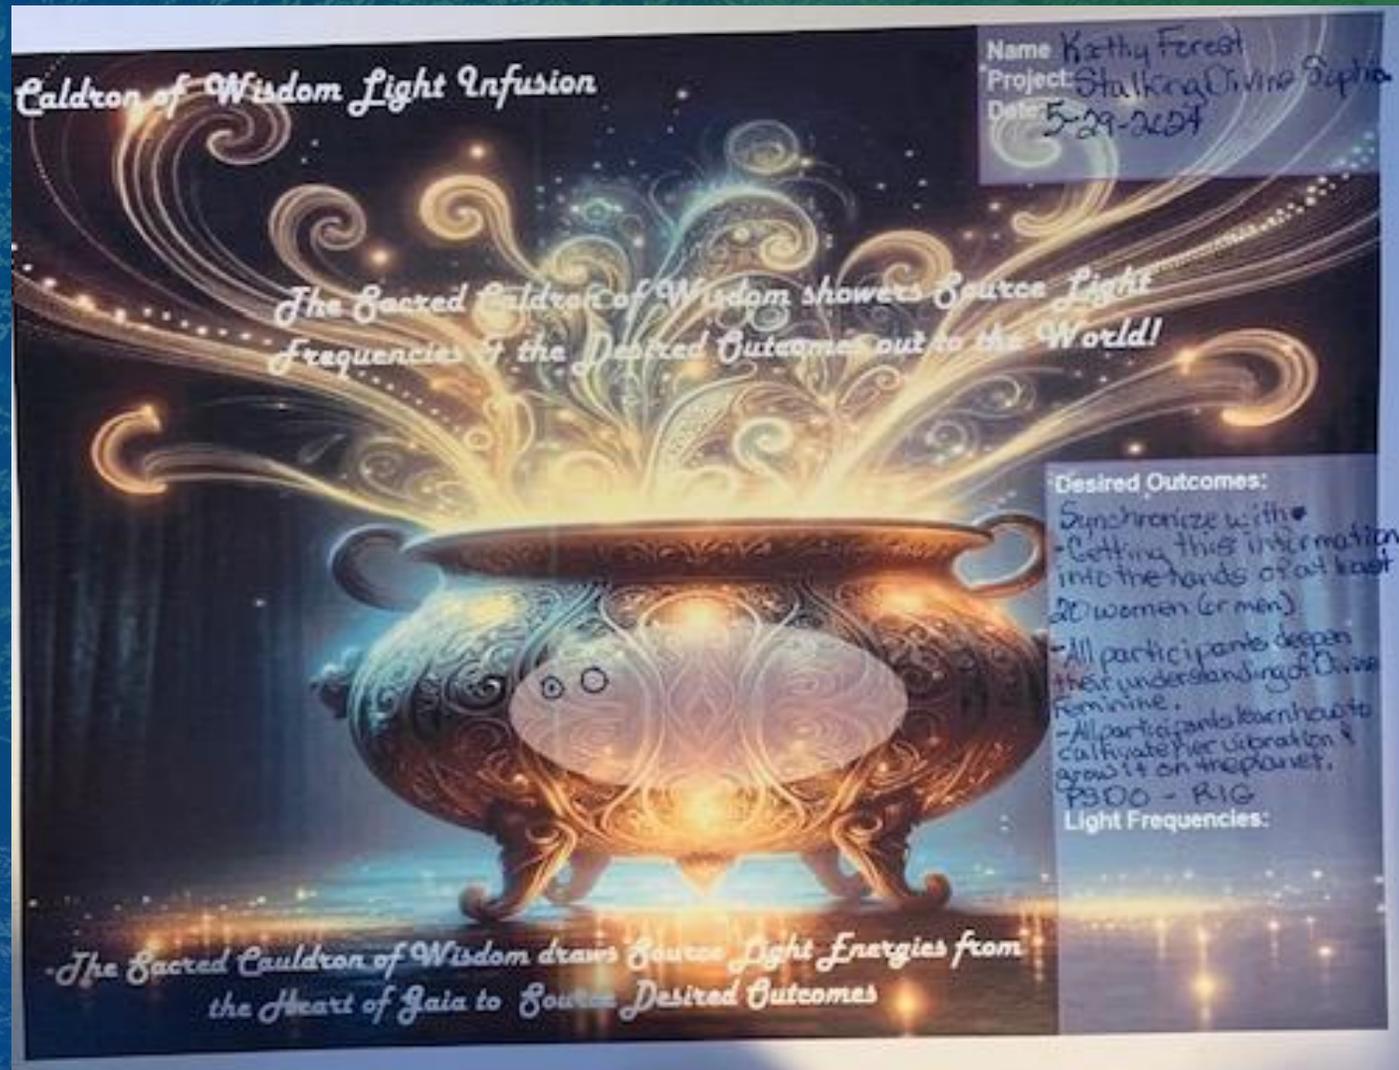

Be sure to include “Receiving Intuitive Guidance,” and “Allow PS DO” (postscript desired outcomes), in your Desired Outcomes.

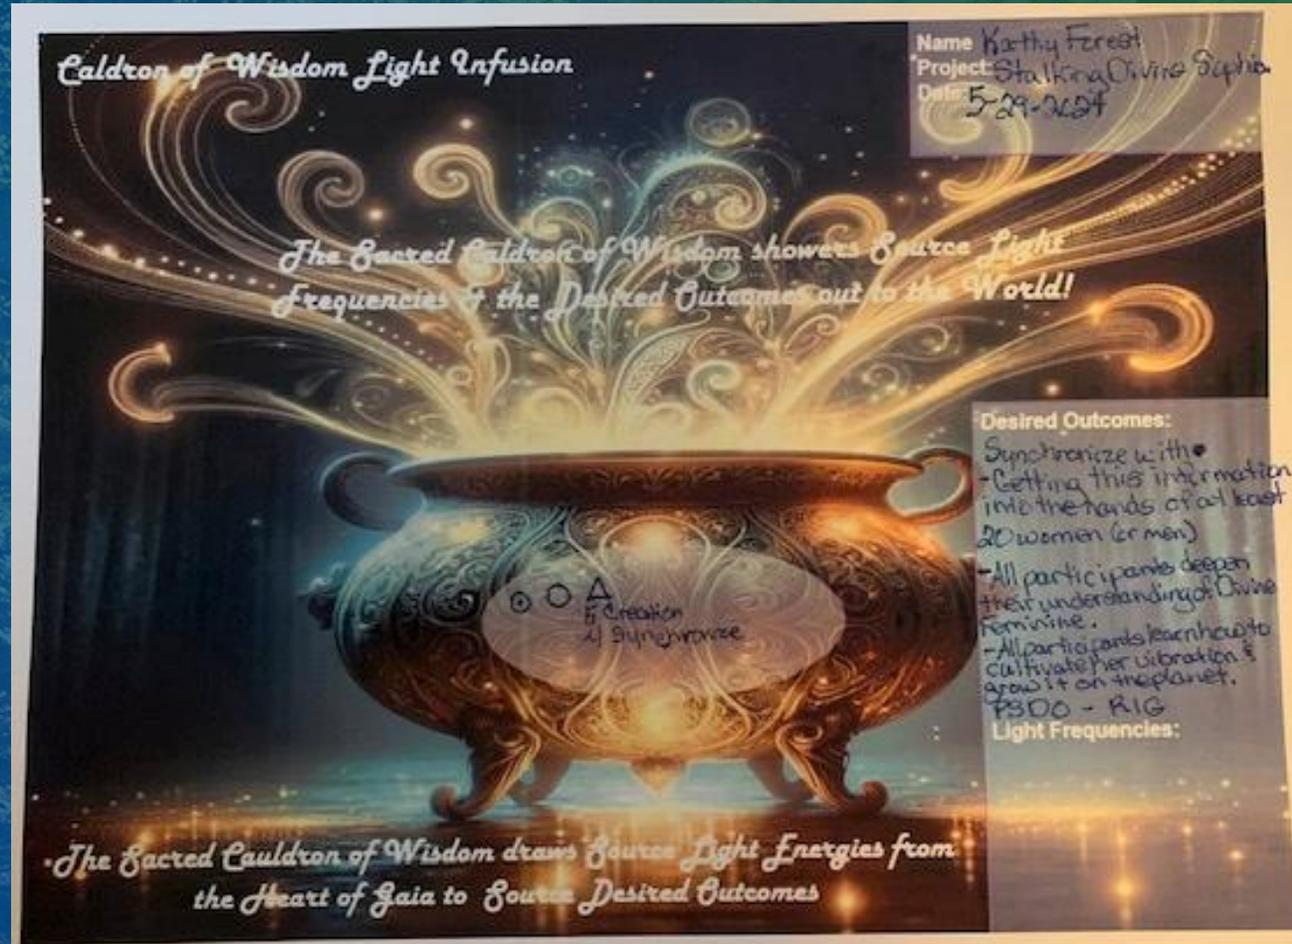

Draw a small circle with a dot in the middle to indicate Soul Connection. (You can use the oval on the picture provided for this or write it anywhere on the picture.) Drop into your Soul. State, “*I connect to my Source Light Center Point or My Soul.*”

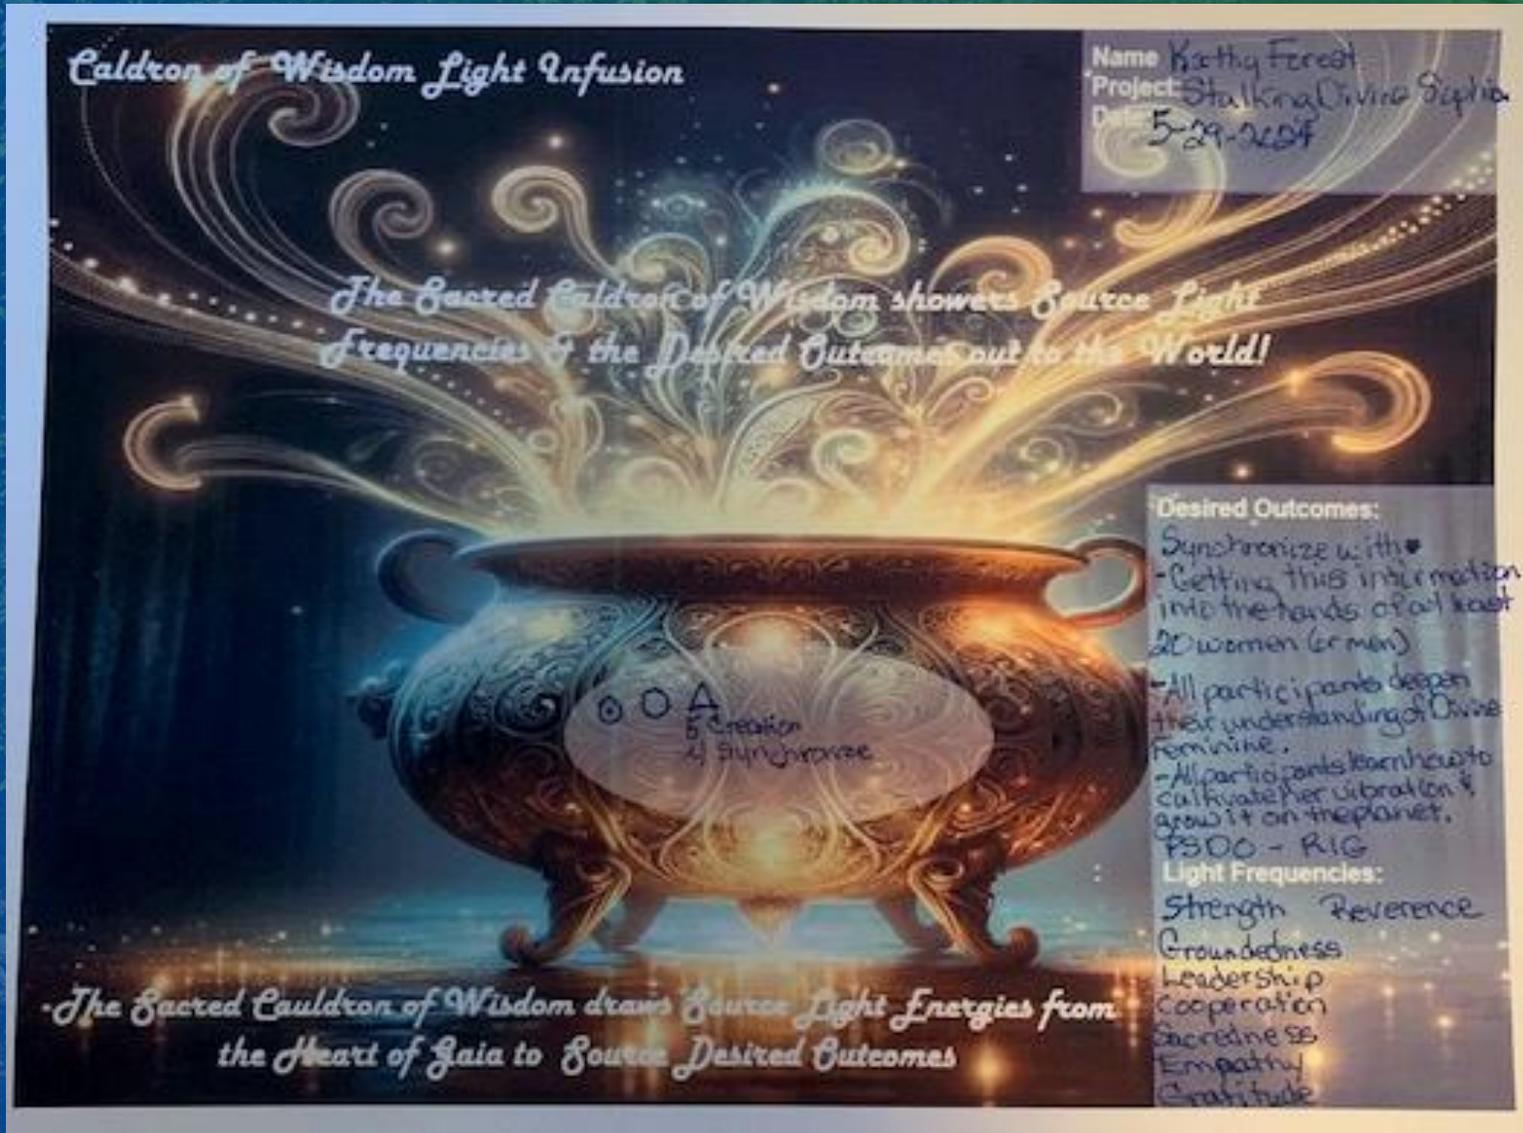

Draw another circle next to it and say, "I activate opportunities for healing, growth, creation and restoration."

Pull a Source Light Symbol Card and muscle test for how many.
Draw a triangle on the template and write the Name & Number of Source Light Symbols
beside it saying, "I anchor in (number, name) Source Light Symbols."
Muscle test to see if you need anymore. If so, repeat but use the same triangle.

Pull Source Light Frequency cards and record them on your sheet.
