do...Give you a direct line to Source!

Meditation today: Practice falling back into
the 10th with intention this time.

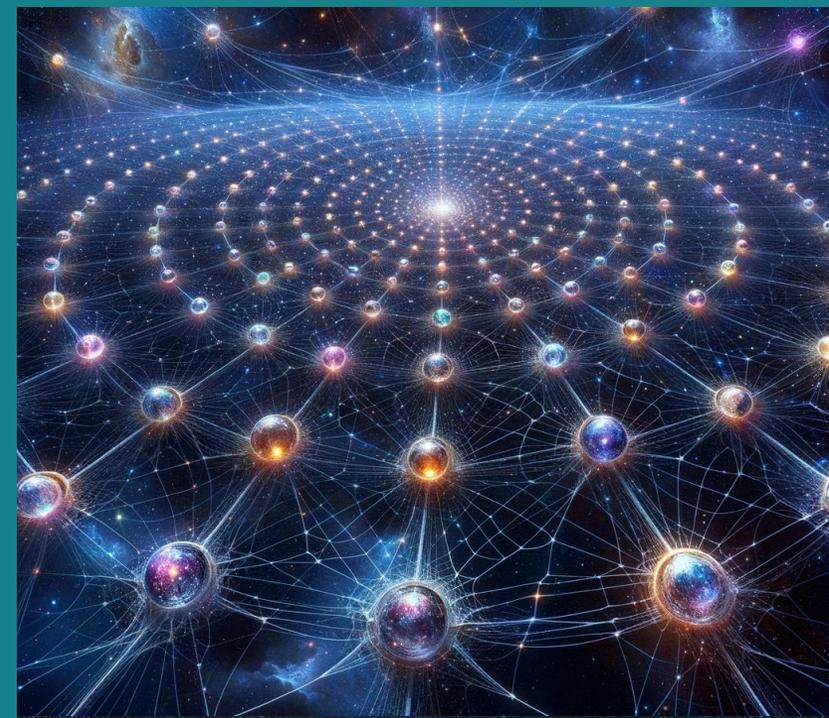

First...we remember

THE MOST SACRED, THE MOST PRECIOUS OF ALL OUR DIMENSIONS ARE OUR...

- 1ST DIMENSION, OUR SOUL, located in our heart; and
- 2ND DIMENSION, The Protective Membrane that surrounds us and our electromagnetic field, and gives us access to SOURCE ENERGY AND WISDOM, AND all the other beings out there...at all times...period.

THEY ARE STRATEGIC IN EMPOWERING OURSELVES TO TAKE CHARGE OF THE UPLEVELING OF OURSELVES AND THIS PLANET.

- Our 3RD DIMENSION, our physical body and world is the playground in which we get to experience all these, and the place where we can actually do our work in the physical and see a physical outcome.
- Our 4TH DIMENSION contains all the extra fun tools we can use to make our experience of the 3RD more enjoyable.
- Our 5TH DIMENSION is the realm of ALL possibilities...tread carefully!
- Our 6TH DIMENSION is the Hall of Archetypes!
- Our 7TH DIMENSION is the Level of Angels & Demons
- Our 8TH DIMENSION is the Level of TRUTH
- Our 9TH DIMENSION is the Level of UNCONDITIONAL LOVE
- Our 10TH DIMENSION is the Level of GOD CONSCIOUSNESS

The Gifts of these Dimensions...

- *1st DIMENSION – Endless Prana*
- *2nd DIMENSION – Connection and Equanimity – which means we are not ALONE, and we are TOTALLY ACCEPTED*
- *3rd DIMENSION – Physical Experience*
- *4th DIMENSION – The Power to Create Reality*
- *In order to move forward, we need to be solid in at least the first 3 and practiced in 4.*
- *5th DIMENSION – The power to choose... any possibility*
- *6th DIMENSION – Access to ALL Archetypal Information*
- *7th DIMENSION – Access to Divine Help & Information*
- *8th DIMENSION – Access to Divine TRUTH (& Dragons!)*
- *9th DIMENSION – Access to Divine LOVE*
- *10th DIMENSION – Access to God Consciousness*

The 10th Dimension ~ The God-Self

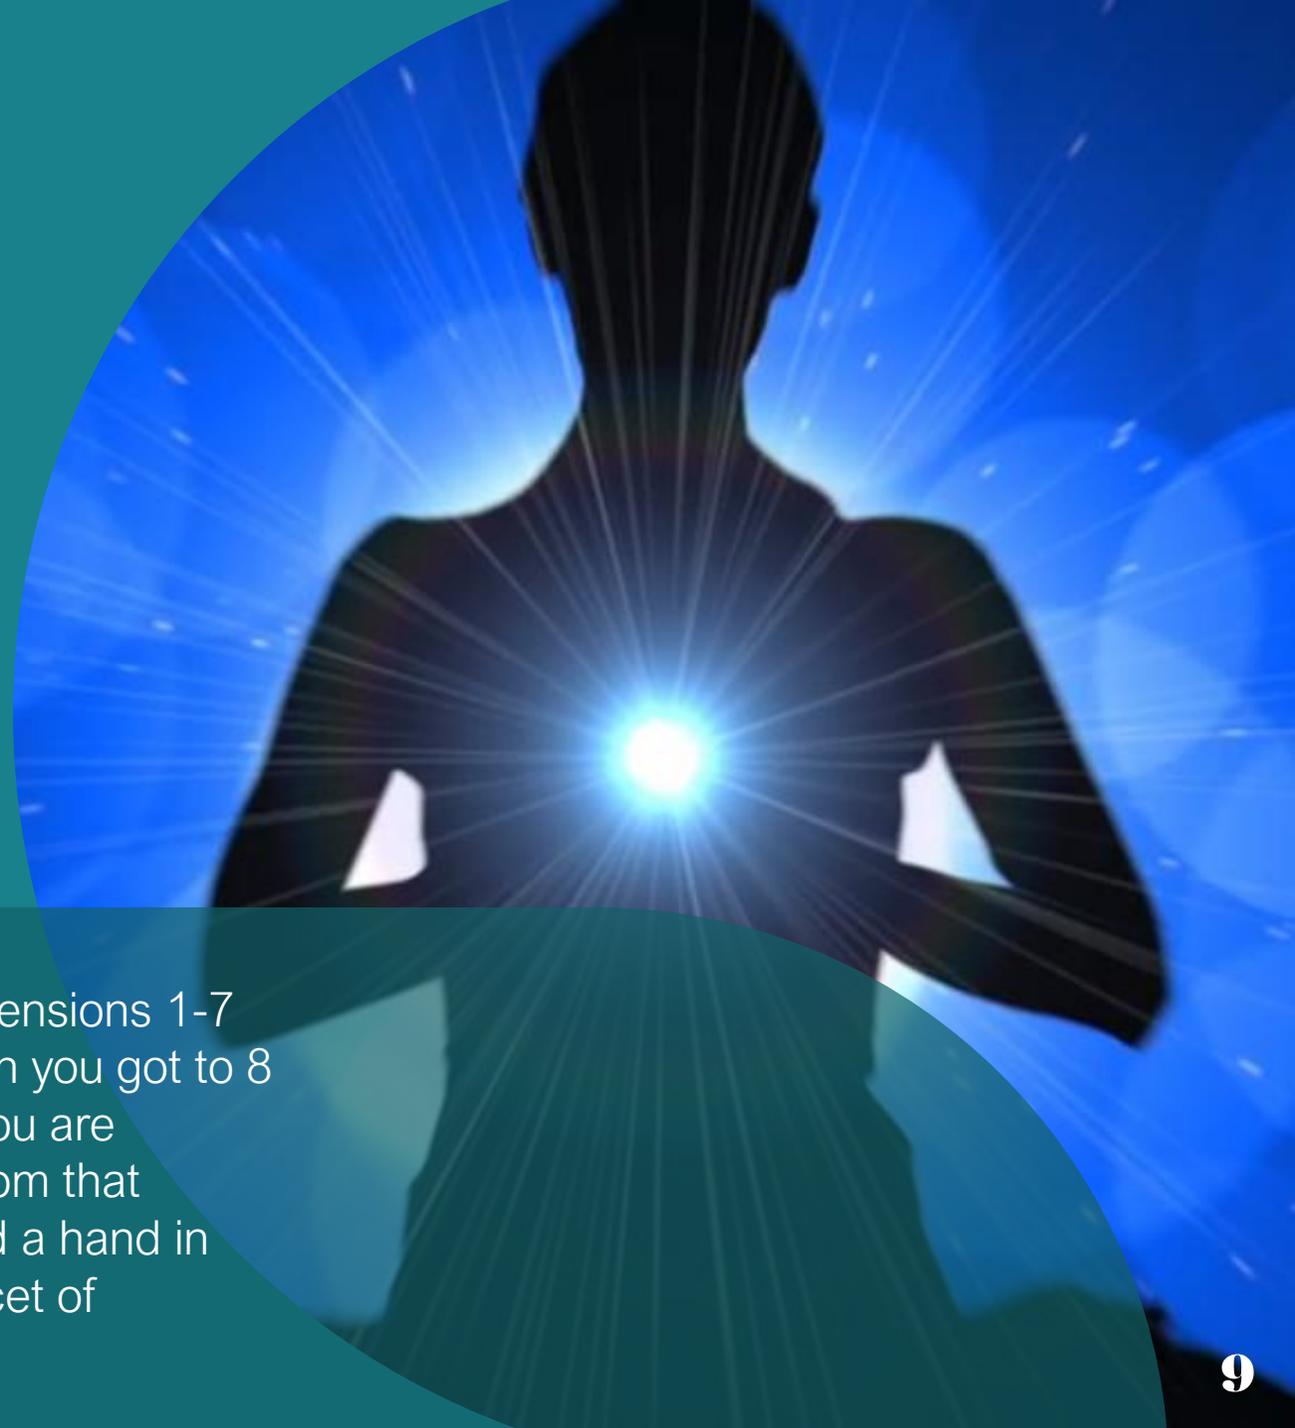

The intensity of this Dimension is like all of the others rolled into ONE – Literally!

- Up until now I have let you experience each of the Dimensions individually. This is really not how they show up, but it helps our linear minds begin to learn about them and experience them individually.
- As I have said, they really are just expansions of you like concentric rings that happen when you throw a rock in a still pond.
- Those rings are all happening “in the pond.” They are part of the body of water...and eventually as you go out farther, you just have the pond.
- It is similar with the Dimensions. They are all inside you, a part of you starting with the first one and expand outward.

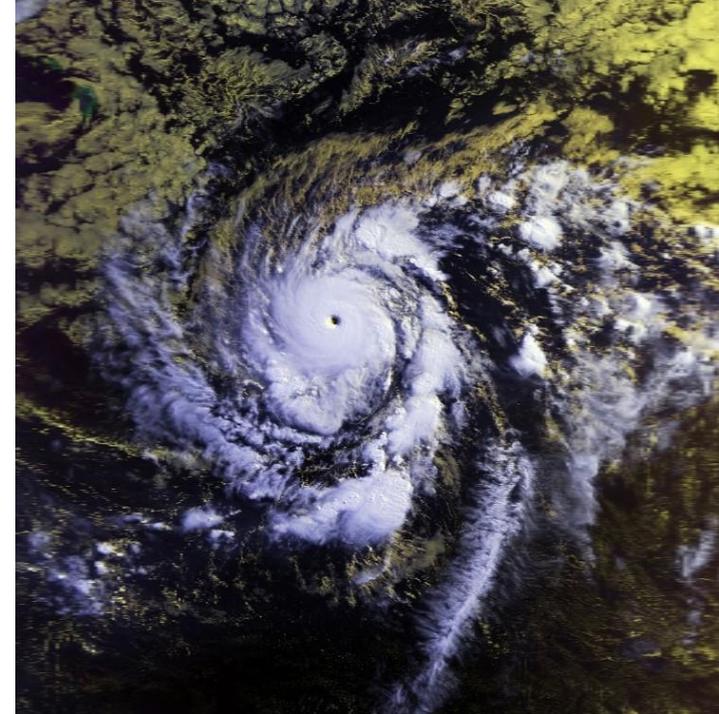

**But when you get
to the 10th
Dimension
things shift
dramatically.**

Remember you have just moved through all the lower dimensions 1-7 that have taught you how to move around in duality. When you got to 8 you got to see the TRUTH behind everything. In the 9th you are beginning to see all things through the EYE OF LOVE. From that perspective, you are going to begin to realize that you had a hand in creating all of this, and that in fact, that YOU are a tiny facet of creator/creatix.

Seeing with the Eyes of God

- We have seen many more things than we probably ever wanted to see since the last time we met.
- Remembering that the tool we use to create is the Eye of our Soul, and what our soul chooses to see is how we manifest outcomes.
- What are we going to choose to see? How are we going to spin this?
- Also, remembering that ideally, by this time we were already supposed to be taking responsibility for our planet. We were already supposed to have our souls ONLINE and be acting from them...not just barely learning how.
- So, what do we do with this? How do we take responsibility for our planet?

In fact...

How do we begin to express our God-Goddess Self?

What would our own personal Holy Wisdom do now?

The Whole of “Indra’s Net,” of all the previous Dimensions, all their tools and tricks, you have access to now.

From a God-Goddess perspective, what do you see? How do you vision it?

We all came to the planet at this time, at the ending and beginning of an age, at the ending and beginning of a human species, ON PURPOSE! WHY?

Is this the material world gone wrong? If you are looking at all things with actual PERFECT LOVE...to take the most difficult things like illness, pain or suffering and work with it in perfect love, what do YOU see?

Can you realize that you are a part of something so big, so immense that things may be working in ways that we cannot fathom or understand from our small 3-d perspective?

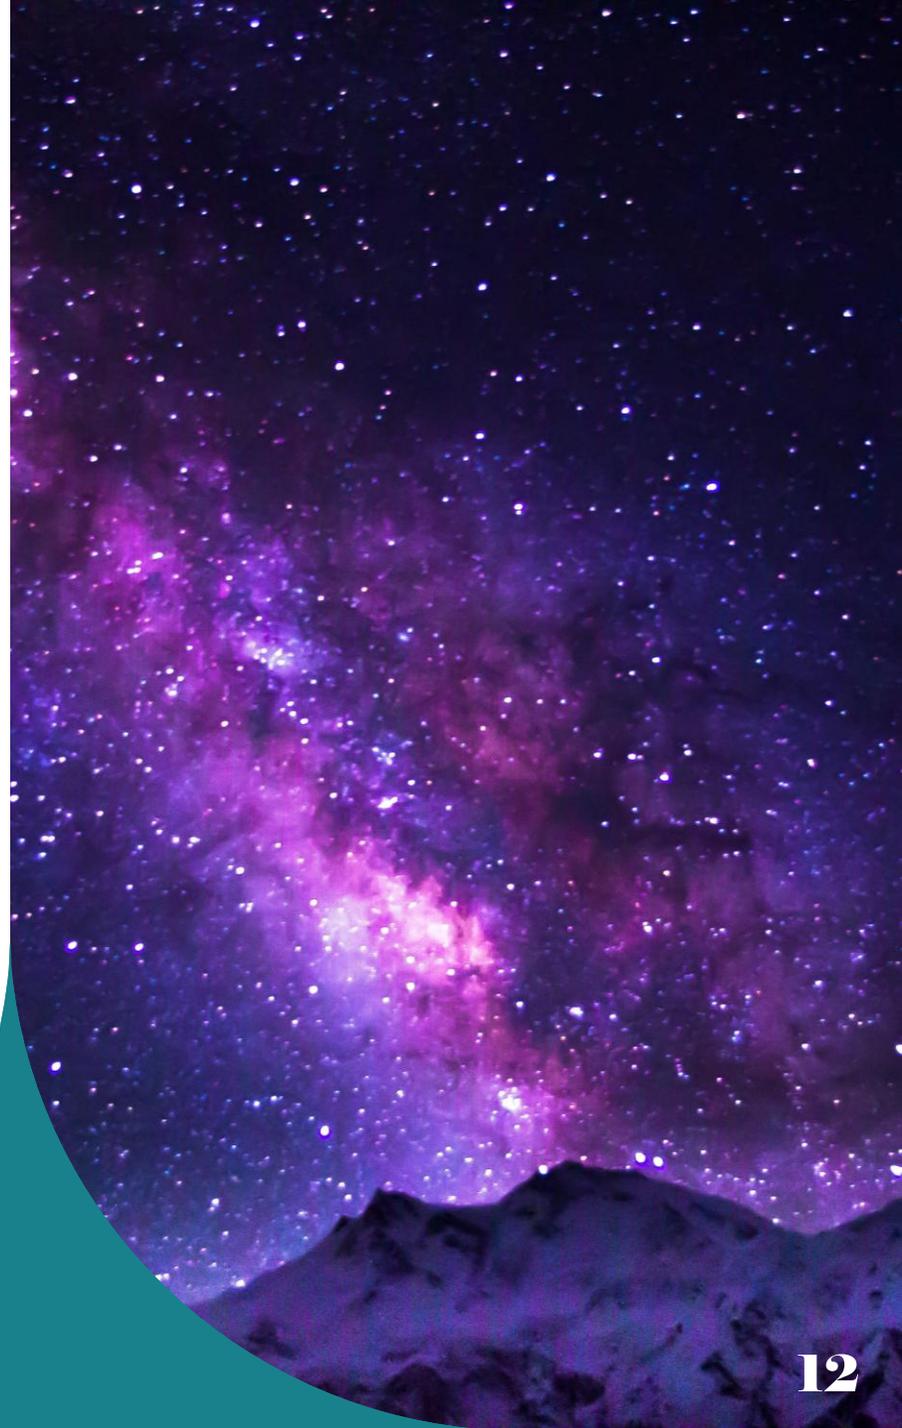

This will bring you back to self-inquiry... because we will all come up with different answers to these questions.

So again, I ask you...What is your super-power?

What are things that come easily for you...things that you don't have to really try at, they just happen? What draws you in?

Remember your Soul essence has a function, and there are others who also have a similar function, and they are all spread out all over the world in order to play out very specific roles. So, our answers to these very important questions are going to be different, BY DESIGN!

Remember the original plan was for you to be aware of all these things. Trauma and the distortion of our experiment in consciousness here on Earth have prevented that full awareness. Thus, it may cause us to divide ourselves at a time when we ALL NEED TO BE RISING TOGETHER.

In the Ninth Dimension we learned about seeing everything through the eyes of Love.

In the 10th Dimension we back up to BECOME the EYE OF LOVE. We BECOME THE AWARENESS OF GOD.

To become that awareness, you have to be part of it. You are not ALL of it by any means. You are a tiny little cell. But you are a part of it. We all are.

So, now we are going from that tiny seed of Light that is your Soul, your 1st Dimension, to the whole screen, the whole room, the whole Universe is full of your light. This may feel a bit difficult to take in. But in truth, we have the full capability to shift our planet into the world it was meant to be. ***THIS IS OUR MOMENT!***

So, I take you back to this: Everything in existence, exists because of YOUR awareness. What you see, what you perceive through your I AM presence, through the eyes of your soul is exactly the world that out-pictures before you. You are literally creating your world. That is not the act of a mere mortal. That is the act of your God-self.

So this time when we go in, we have all this heavy stuff with us, that we are working to see clearly.

And once again, we are going to fall back into the arms of love and let ourselves float. Let the 10th Dimensional Godself of us clear a way to see clearly without fear, or worry, or pain, or remorse.

This may feel like peace, inner knowing. Allow yourself to have your experience whatever it is. And remember...

The beings we understand as Gods & Goddesses act in Love. They ARE Love. They are Omnipotent. They seem bigger than everyone else. They have these incredible super-powers...well THAT'S YOU! This is what we express in the 10th Dimension.

So remember, we cannot enter the 10th Dimension the same way.

We can't just keep moving forward...this is our identity. Moving into this one (as well as 11 and 12) are as big as all the work we have done thus far.

In this one, we FALL BACKWARD. We fall back into the 10th Dimension. We fall back into the Arms of Love, who we are truly, our sacred identity.

And yes, it can feel scary. It can feel like we are literally losing our identity. And we are. We are losing some of the attachment to our 3-D identity to gain an awareness of our TRUE identity. The Identity of our true SOUL.

You will become more skilled at “just knowing” what to do, or what is going to happen, in the moment. And you will begin to act on it.

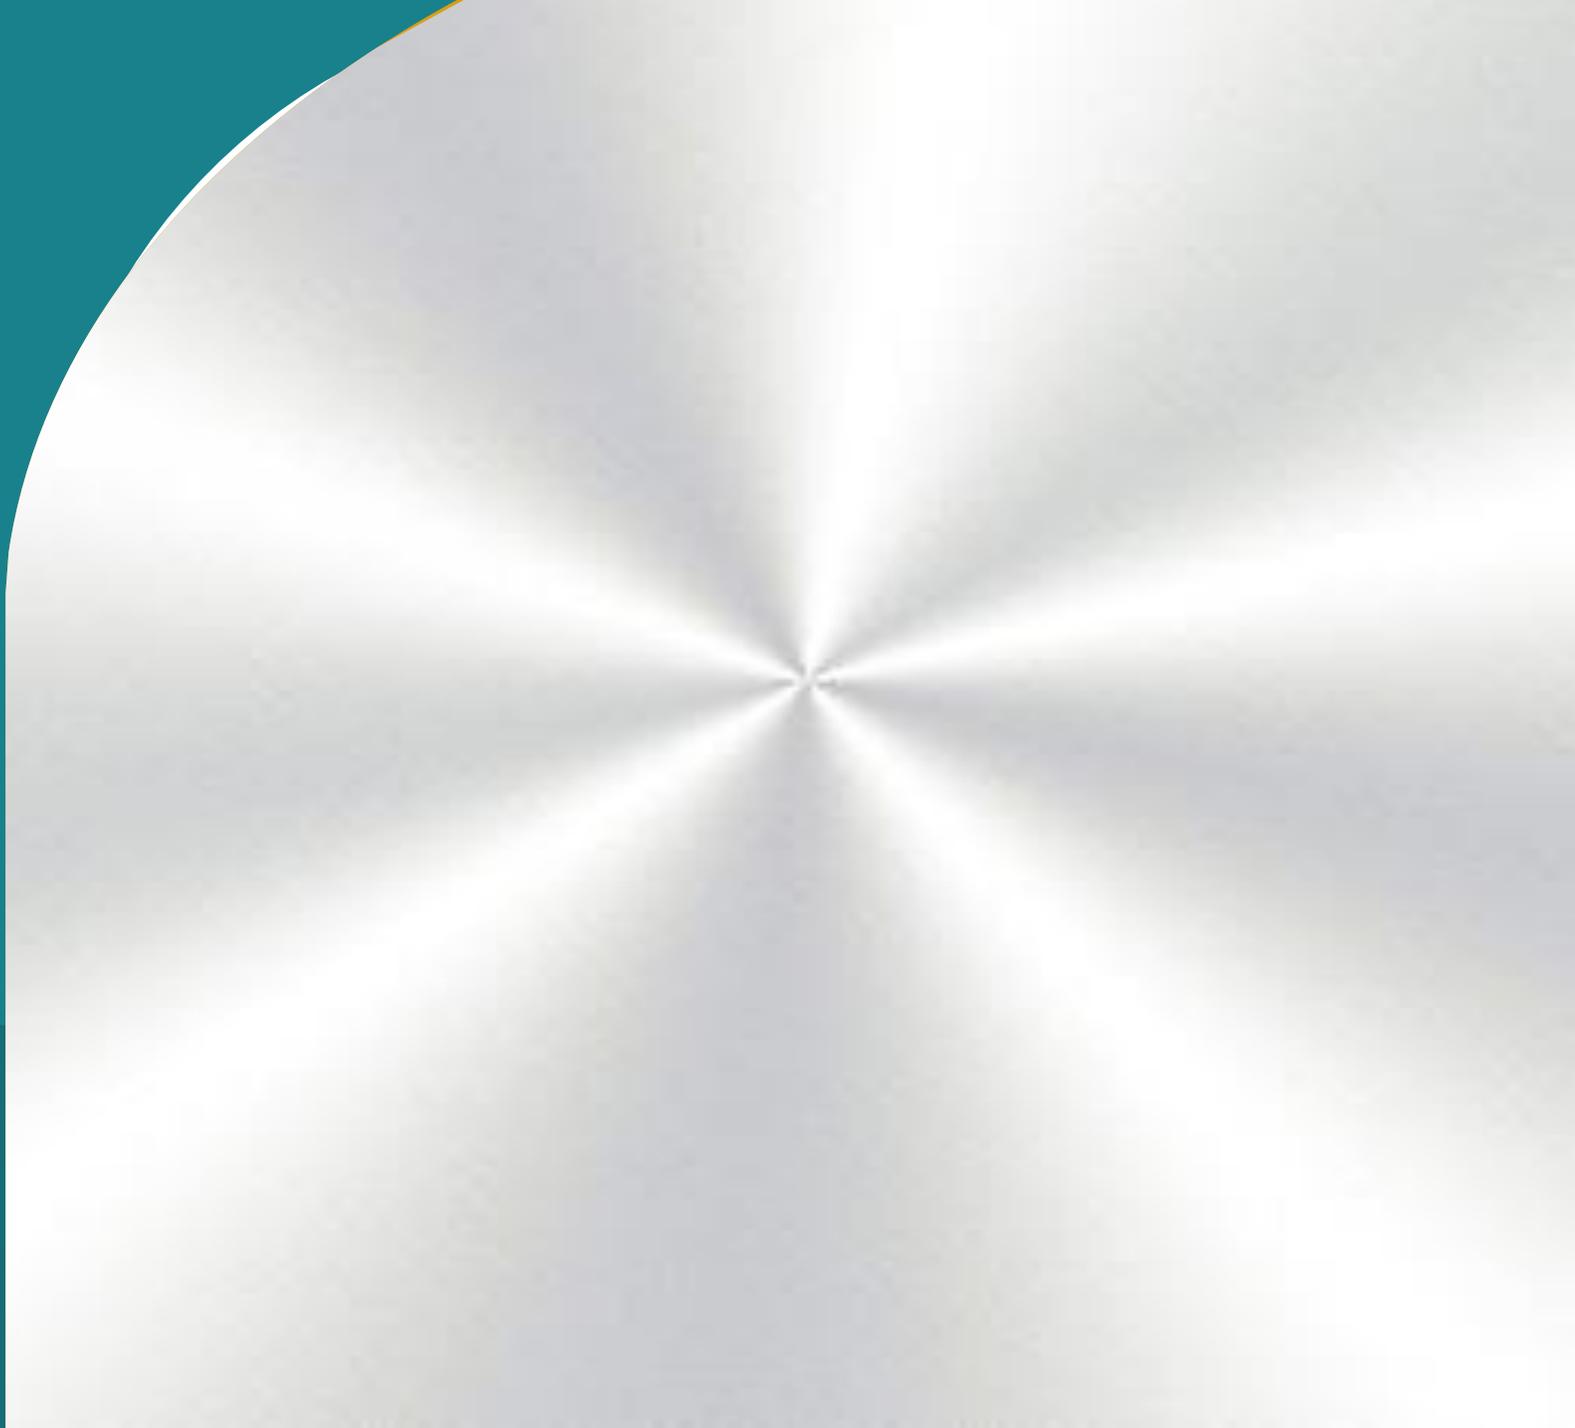

That probably won't happen overnight. And it won't happen if you allow your ego to override it, which it will definitely try to do.

But if you keep doing the protocol, keep creeping into each of the dimensions very slowly, eventually it will just happen naturally. And you may notice that more and more people come to you for advice...or just want to hang out with you...

SO, AS YOU WILL REMEMBER,
THIS PLACE IS JUST PURE
LIGHT. IT IS VERY QUIET AND
PEACEFUL. BECAUSE IT IS
YOU, YOUR GOD-SELF, YOUR
HIGHER KNOWING. HERE YOU
DON'T HAVE TO SEEK
ANYTHING, OR TRY TO SEE
THINGS, OR FIND OUT
ANSWERS TO ANYTHING.
HERE YOU GET TO LEARN HOW
TO JUST
BE...GOD...BE...TRUTH...BE...
LOVE.

BUT THIS TIME GO IN WITH
MORE WISDOM IN LIGHT OF
THE CURRENT EVENTS ON THE
PLANET. HOW DO WE SEE IT
IN LOVE?

TODAY...

We are going to the 10th Dimension!

We will enter the same way we always have. Except this time at the 10th Door, we won't step in. We can look, but all we will see is white light.

But today, we are just going to turn around and fall back, fall back into the arms of love. And just feel what it is like to be there, to be in that state of pure beingness without an agenda. If you want to, you can just ask, what celestial being am I a part of? But mostly just feel it. When we finish, just take a step forward, and you will be back at the threshold of your doorway.

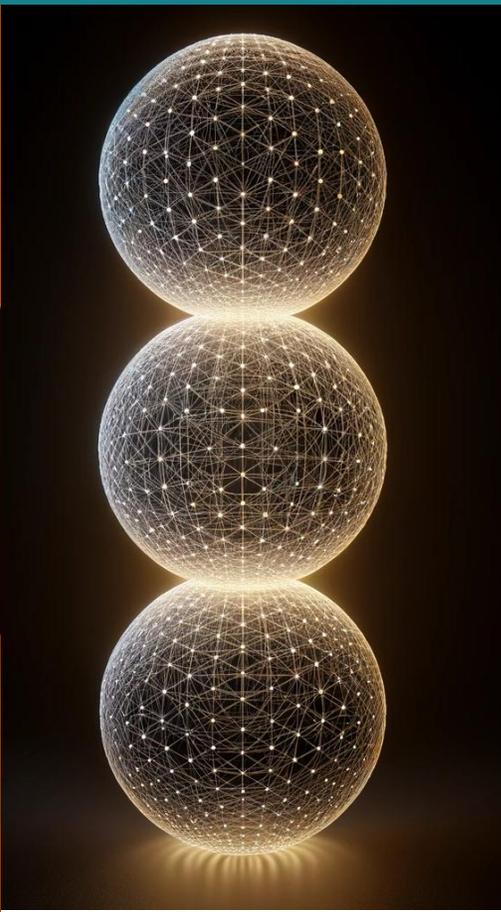

Stay with your practices...
