# The Priestess Process...

***Is a process!***

You have been moving through that process of becoming for 35 weeks. You are a different person.

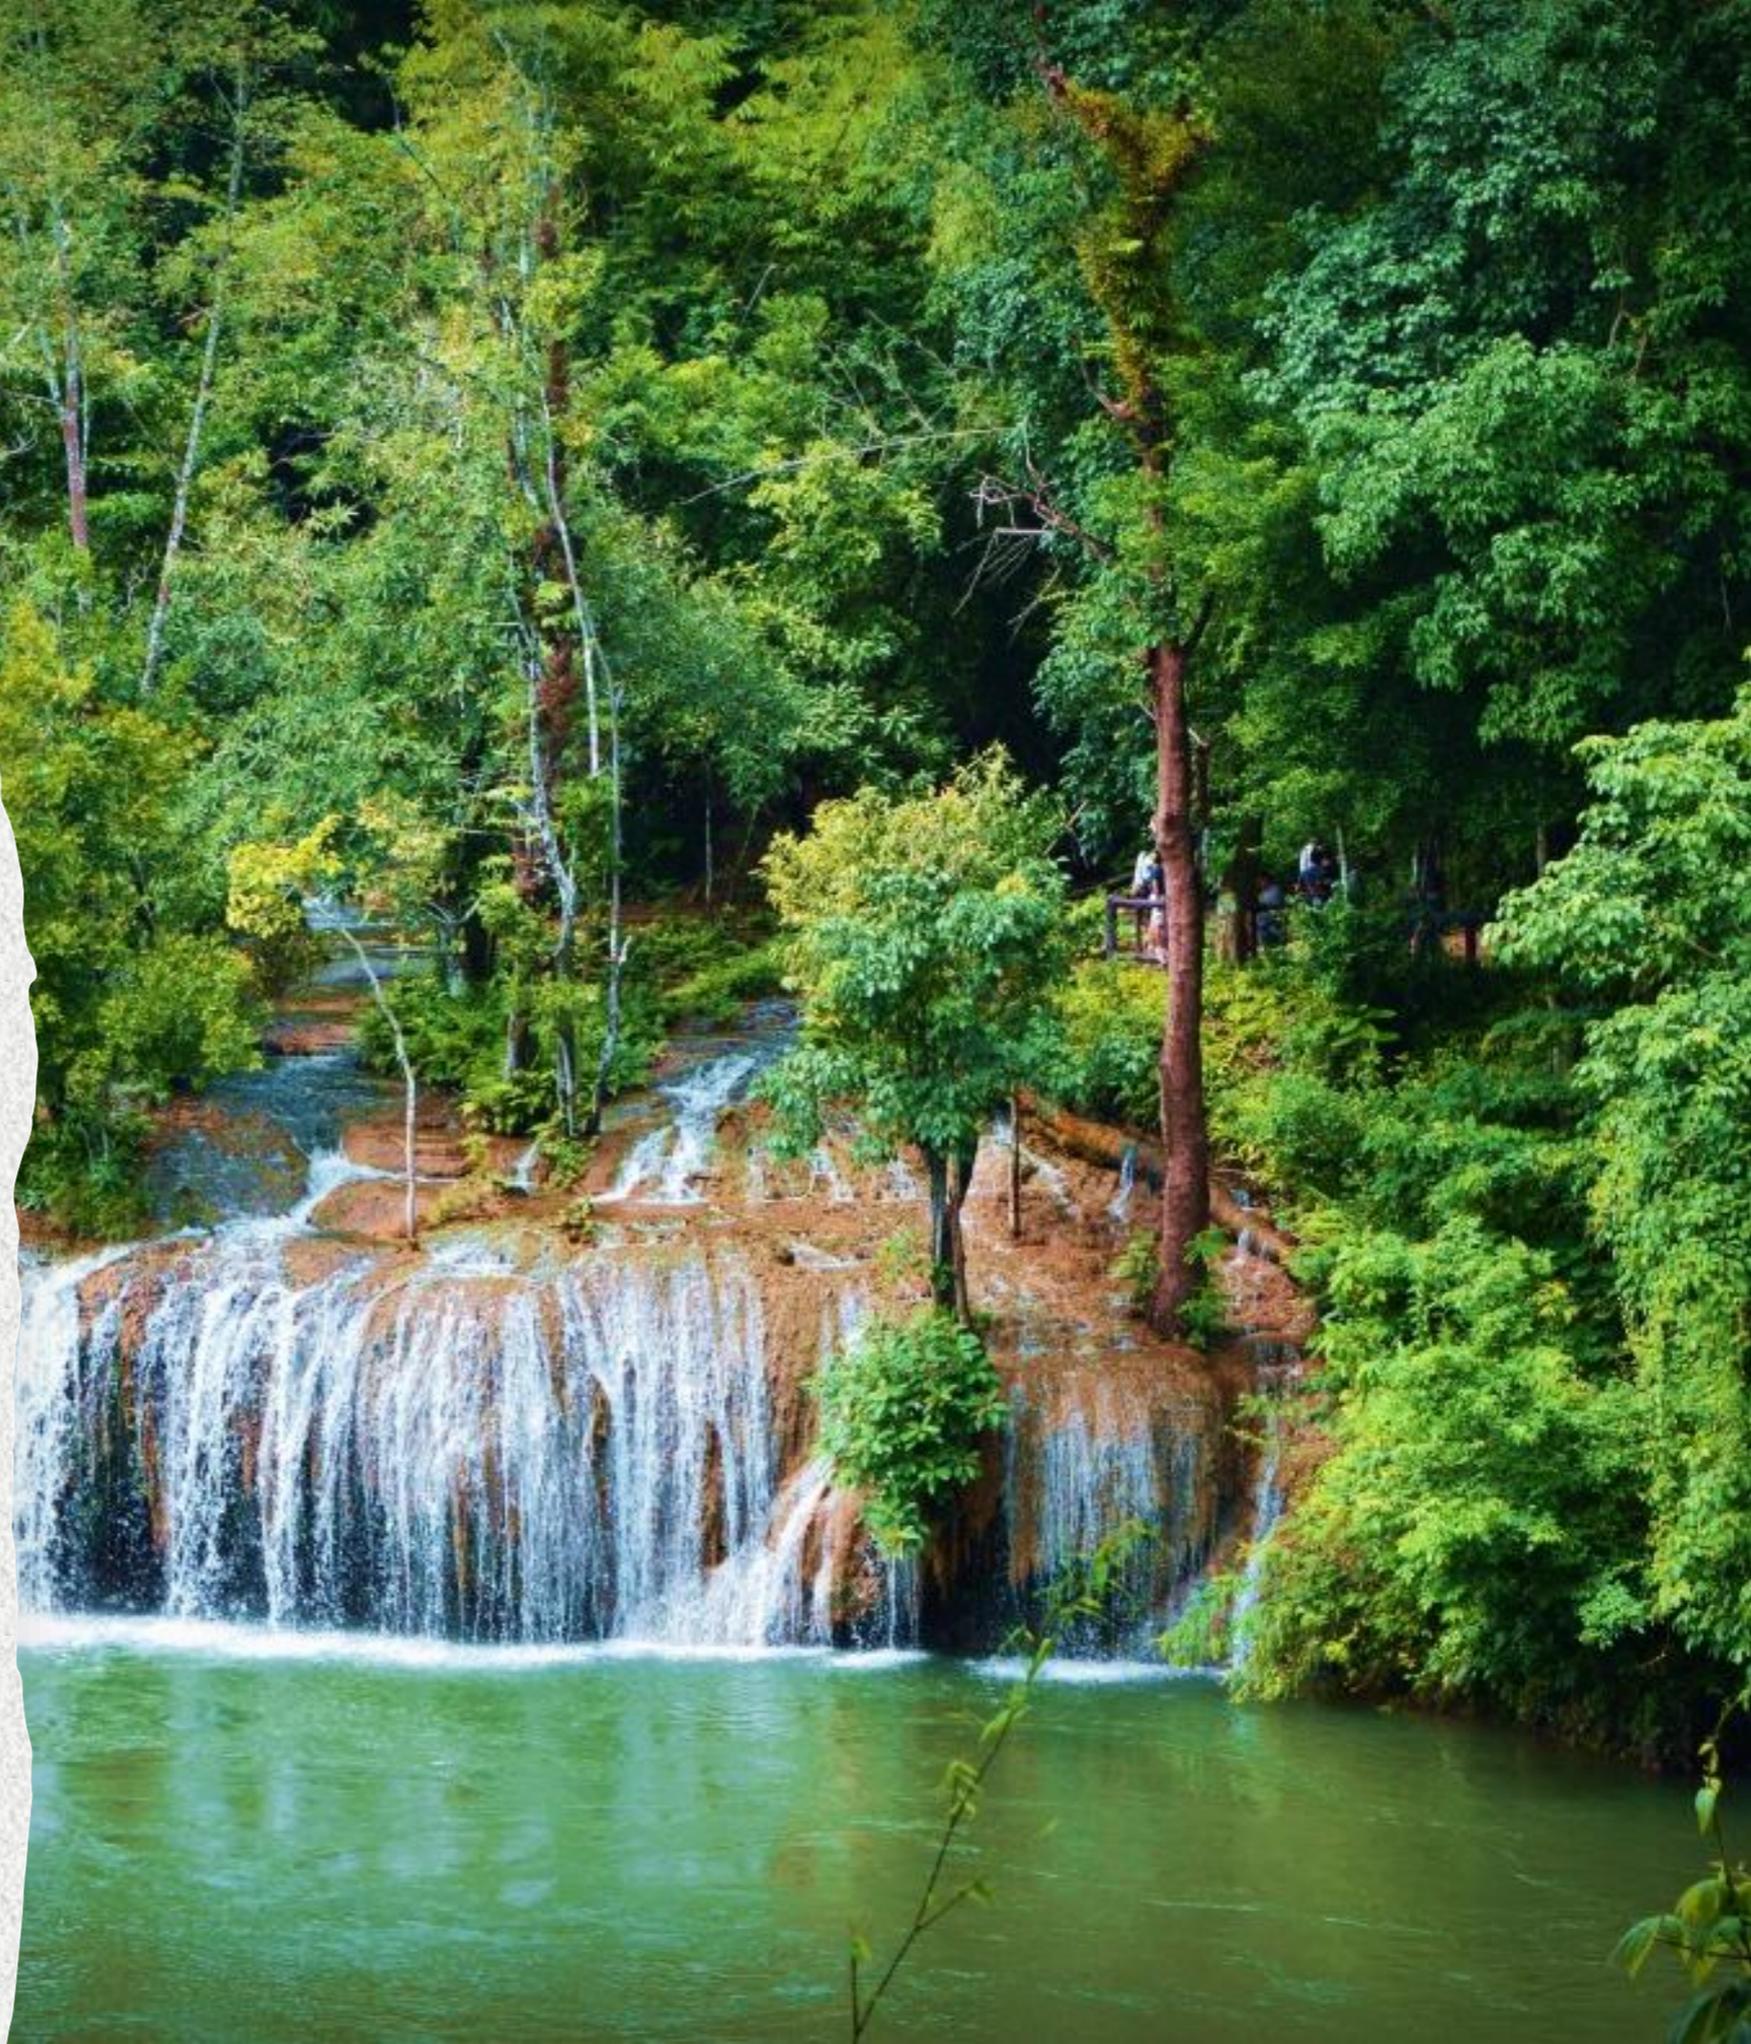

How was this  
week of  
integration?

How do you  
feel?

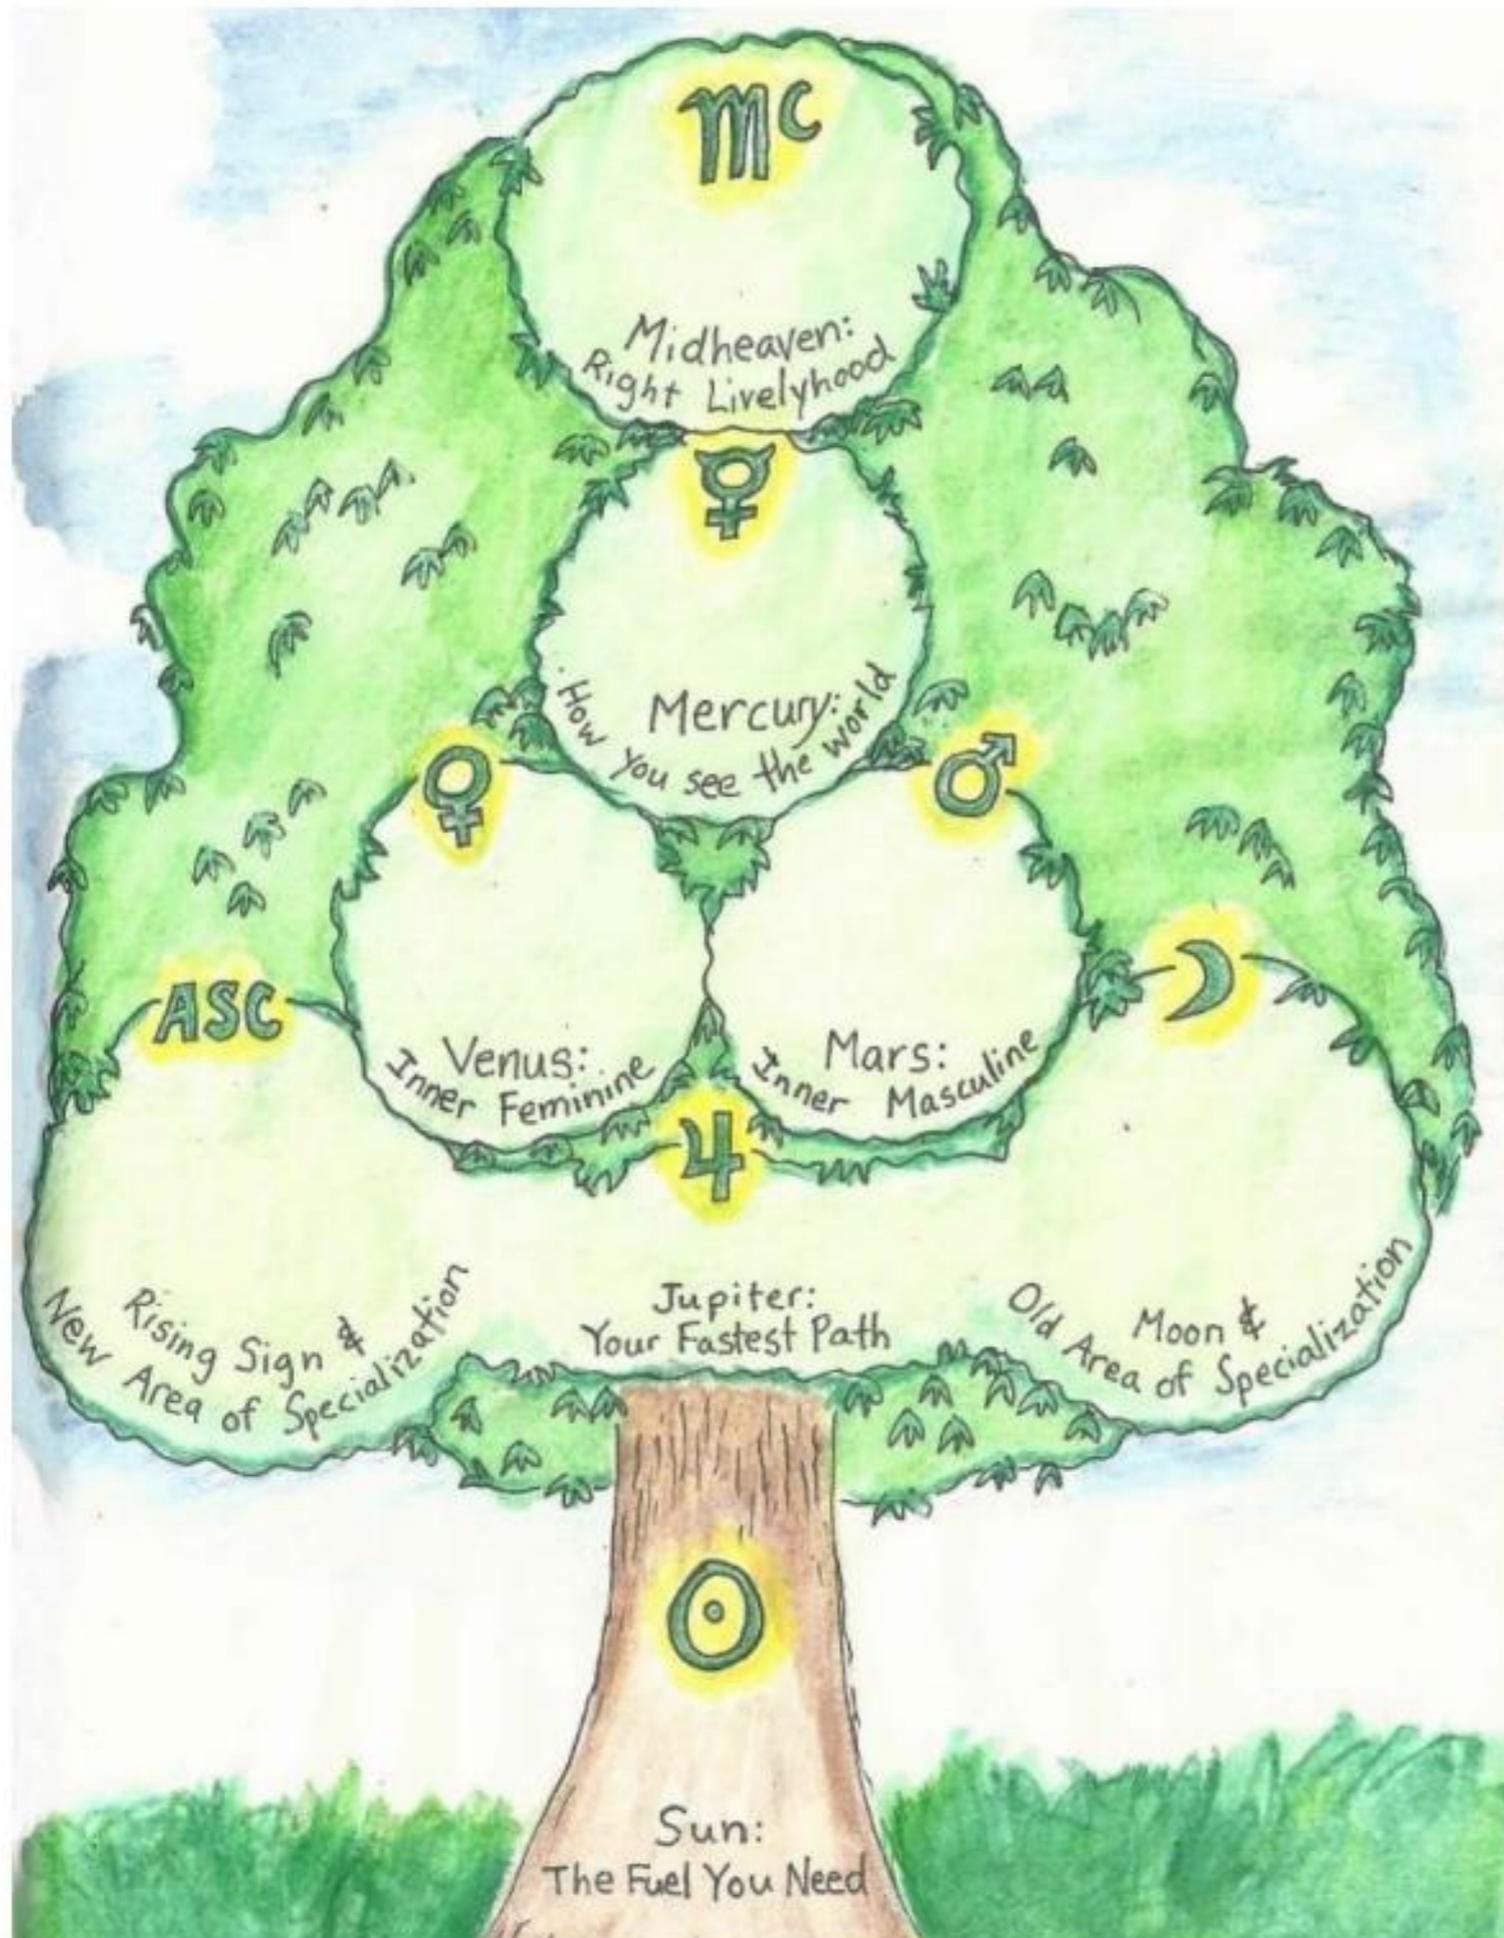

This week we  
will continue  
this process...

After we connected  
with Sophia, and we  
made a deep  
connection with the  
great grandparents  
of this planet, the  
elements, we met  
someone else...

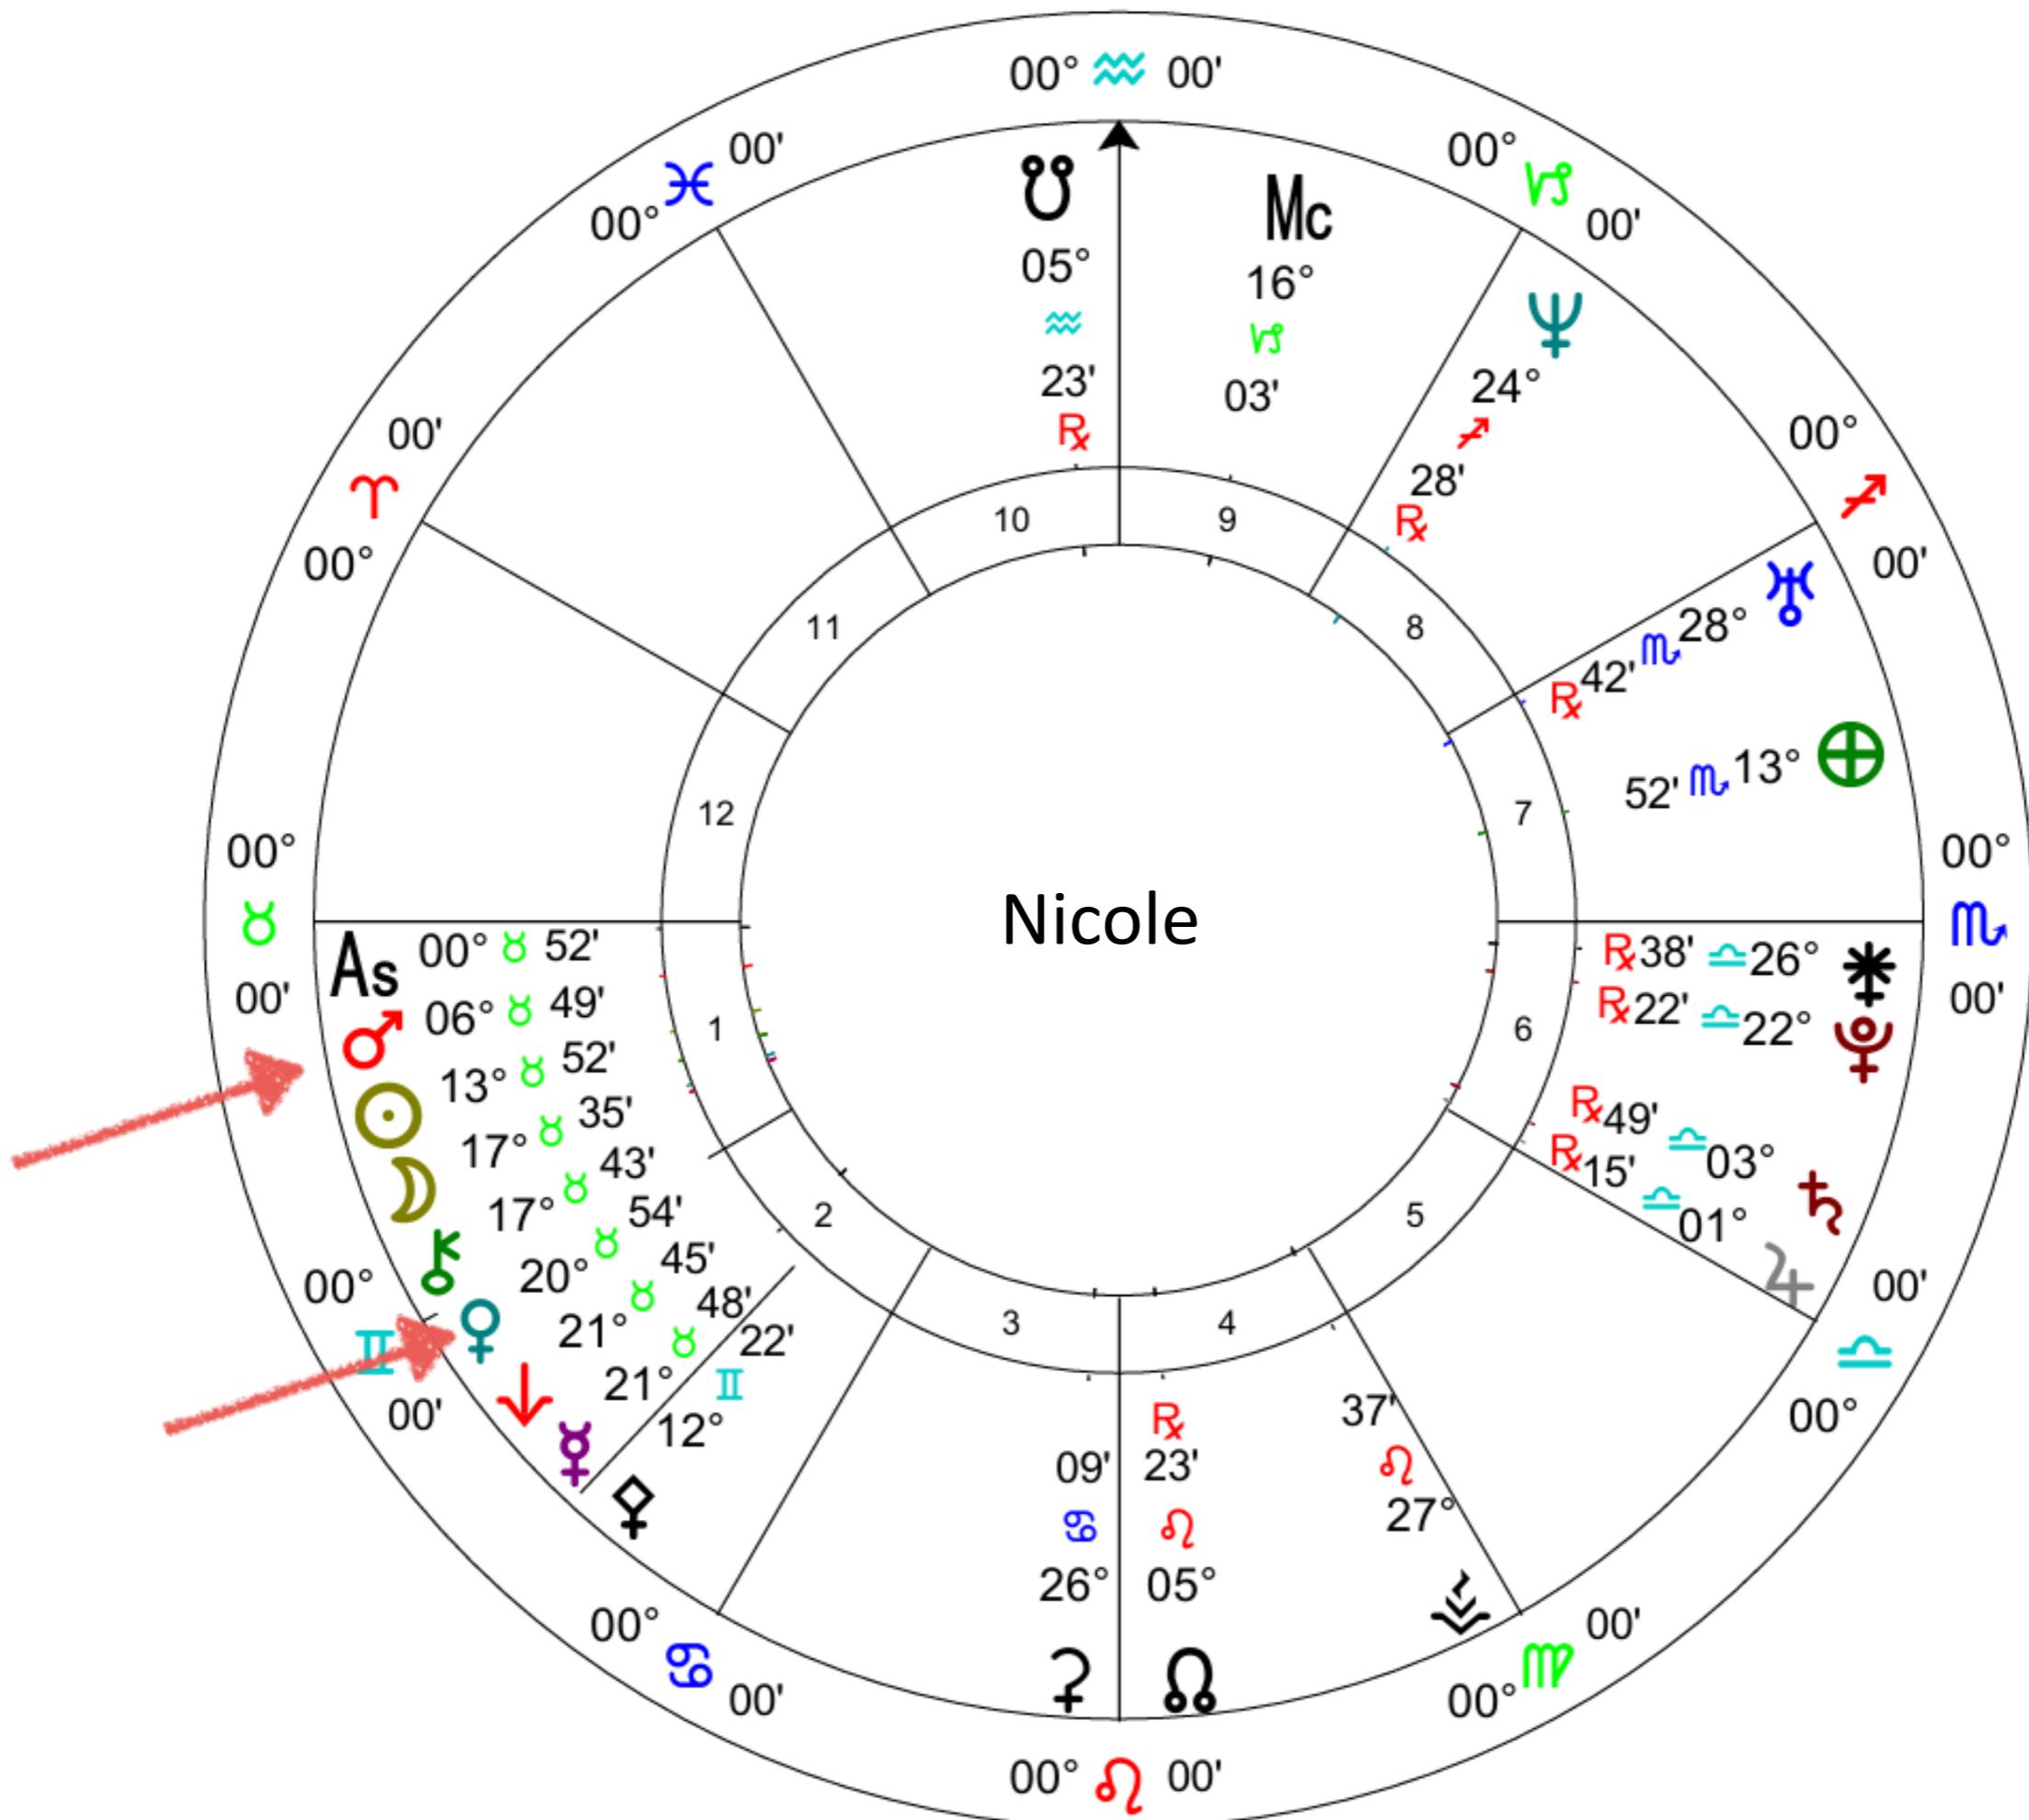

We met YOU~ by looking through the lens of your Birth  
Chart...

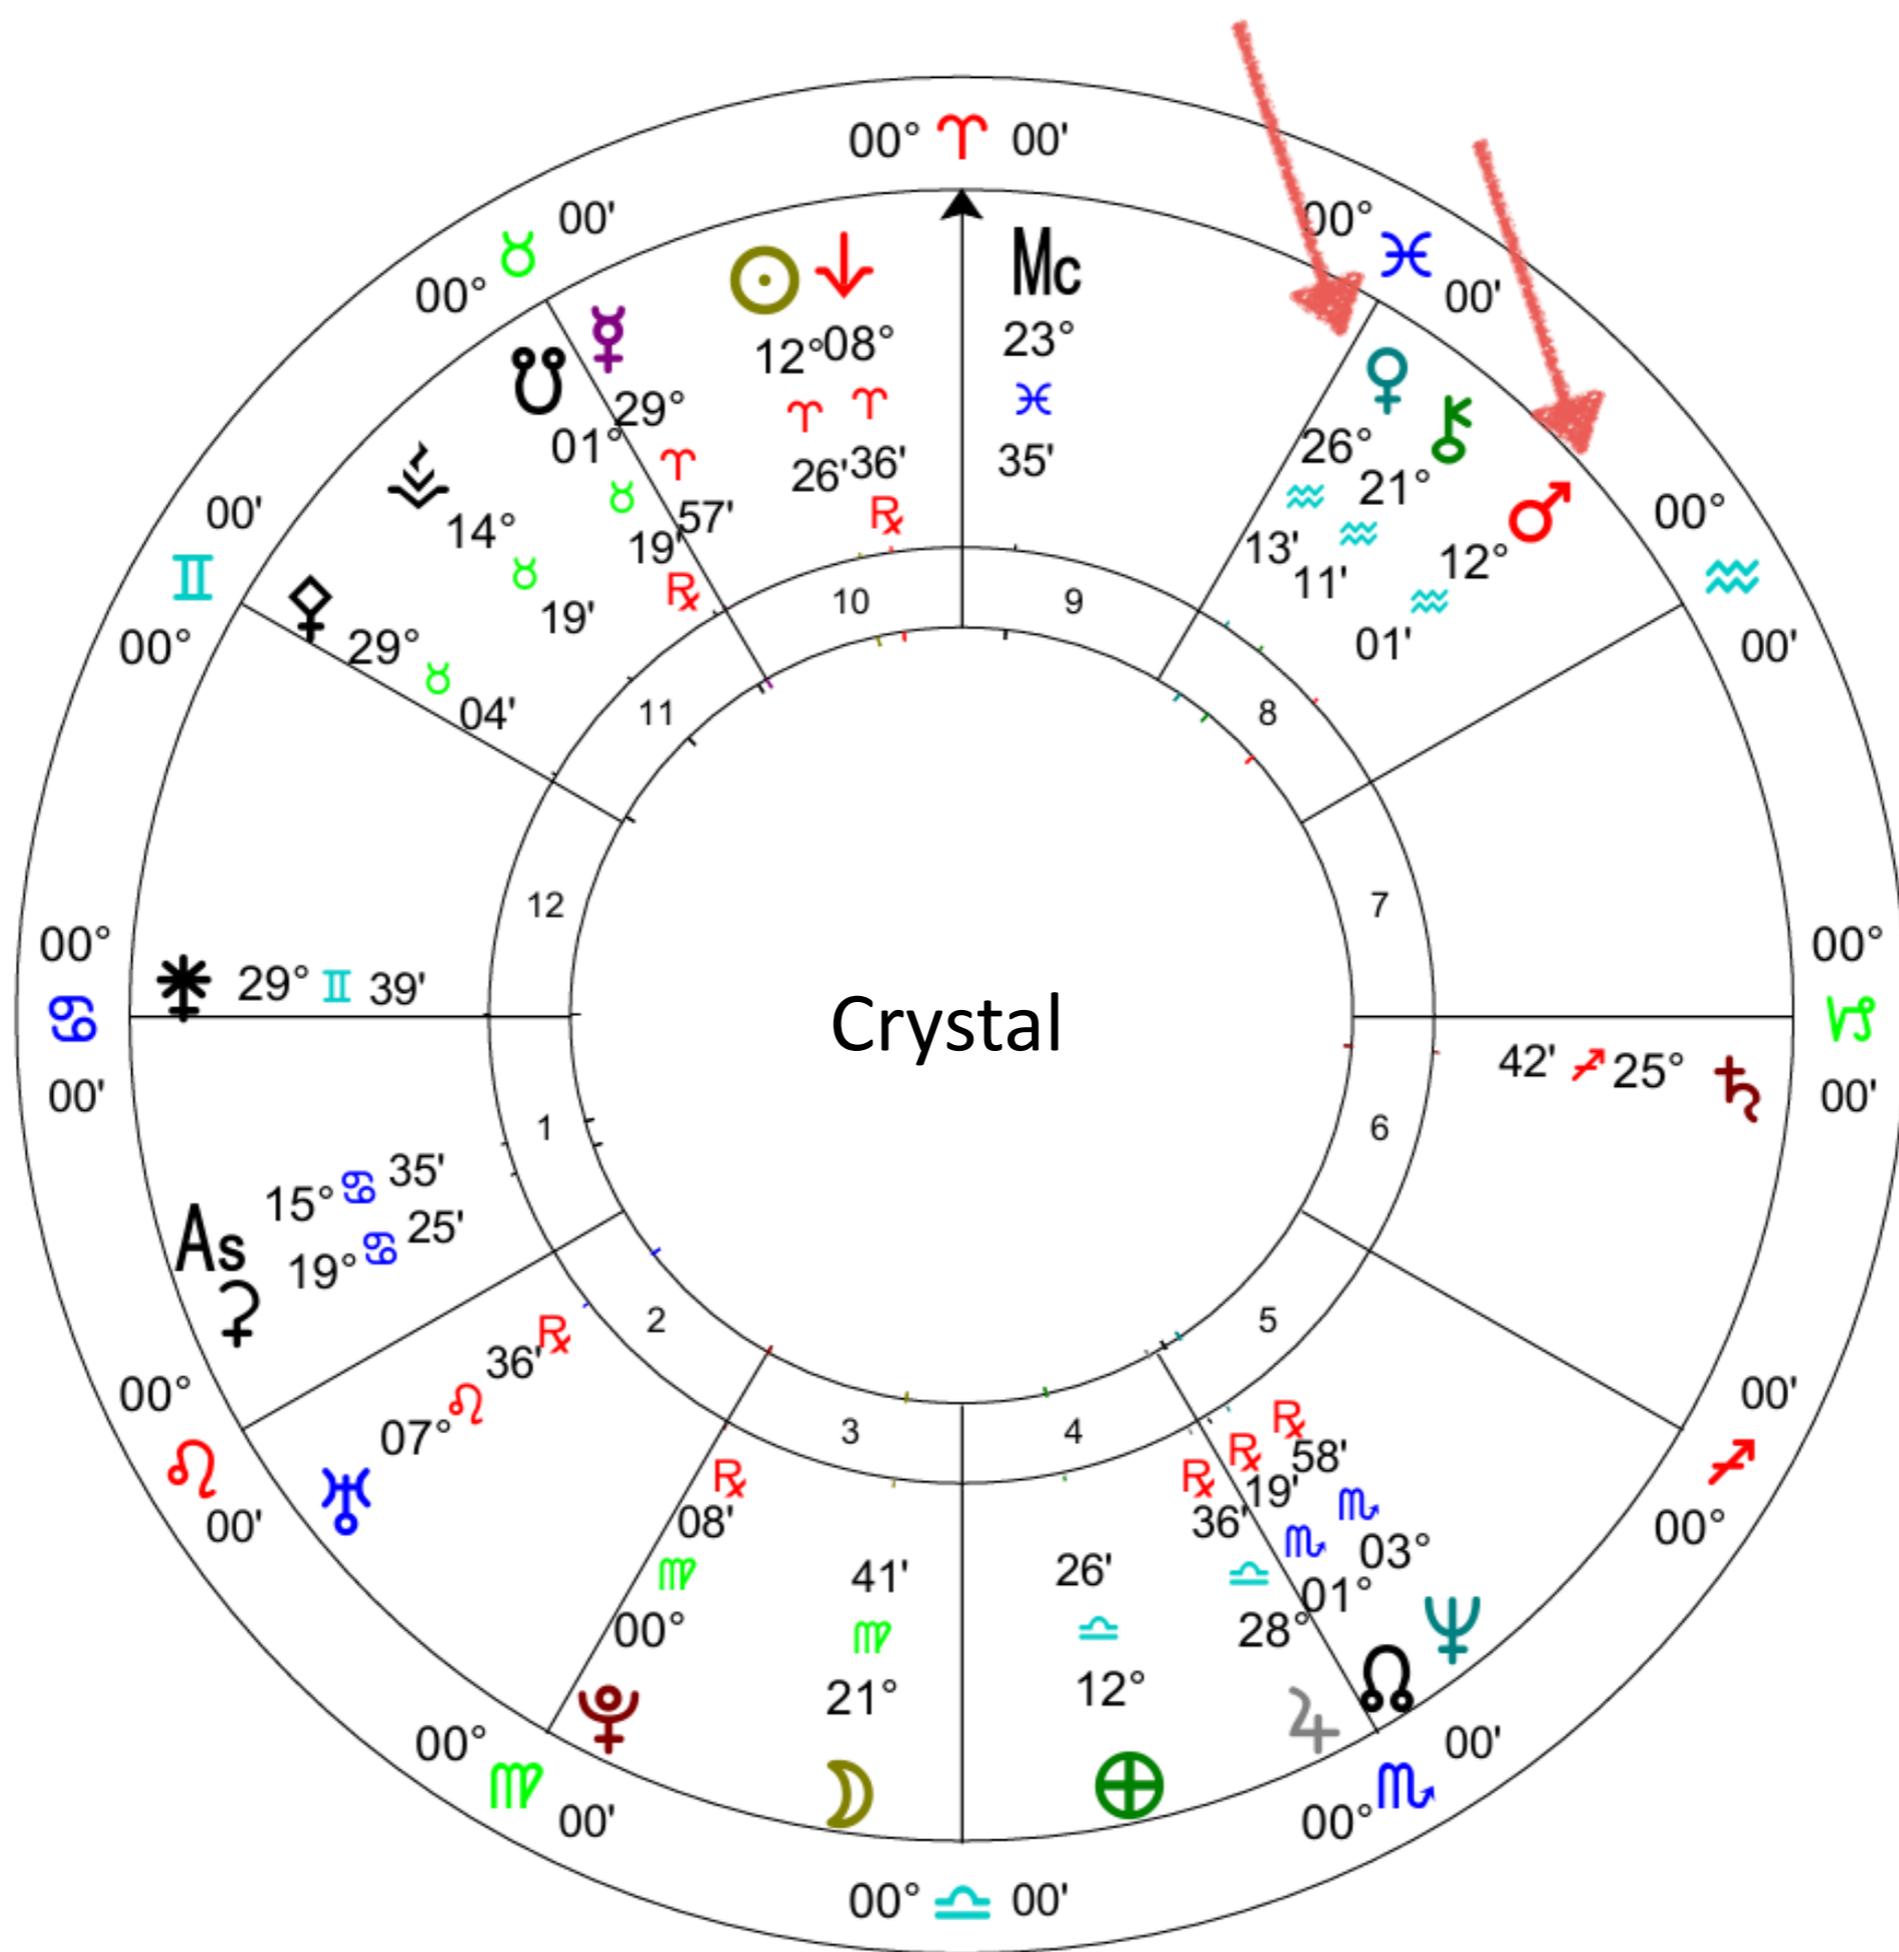

So today we are going to review and connect with the players on our birth charts.
