CHECK-IN

HOW HAS THE DIVINE FEMININE BEEN MOVING THROUGH YOU?

A FOLLOW UP ON OUR MEDITATION...

 1. *What is the one truth my Soul has been waiting for me to speak in my business — and where am I still softening it?*

Let yourself be radically honest.

Where are you editing yourself?

Where are you diluting your medicine to be more acceptable?

 2. *What old vow, belief, or identity did I feel dissolving in the fire — and how has it been shaping my pricing, visibility, or leadership?*

Name it clearly.

Was it a poverty code?

A fear of being “too much”?

A loyalty to struggle?

When did you first learn it?

3. *If I fully trusted the molten-gold voice in my throat, what bold action would I take in the next 30 days? Be specific.*

Raise rates?

Launch differently?

Speak more directly?

Stop over-explaining?

What would the Sovereign Version of You do?

 4. *If my ancestors were watching my business right now, what would they want me to remember?*

Write their message as if they are speaking directly to you.

What are they urging you to claim?

What are they tired of seeing you shrink around?

WHERE WE NEED TO
